

Rules

Please observe the following rules of conduct so that we may have an orderly meeting and facilitate comments and questions.

1. Only the proposals described in the proxy statement will be presented today. Following the formal presentation of the proposals, questions and comments may be raised on these items. Other general questions and comments relevant to the business of CME Group may be raised during the general session (as time permits) at the end of the formal portion of the meeting.
2. Only those who held shares of stock in the Company as of the close of business on March 7, 2022, the record date for the Annual Meeting, or their duly authorized proxies, may submit questions and vote at the Annual Meeting. Shareholders may vote until the polls close. If you voted your shares prior to the start of the Annual Meeting, the Company's Inspector of Elections has already received your vote and, unless you wish to revoke or change your vote, no further action is required from you.
3. If you wish to ask a question about one of the matters being voted on at the Annual Meeting, the question can be submitted in the field provided in the web portal. We will answer questions regarding matters being voted on at the Annual Meeting before the voting is closed.
4. To allow us time to answer questions from as many shareholders as possible, we will limit each shareholder to one question. Questions should be limited to one topic per question. We will summarize questions received from multiple shareholders that are on the same topic or otherwise related and answer them together.
5. Following adjournment of the formal business of the Annual Meeting, there will be a general question and answer period, and the Company will address appropriate questions received from shareholders regarding the Company as time permits. Such questions may be submitted in the field provided in the web portal before or during the Annual Meeting.
6. A replay of the Annual Meeting will be available on our website 48 hours after the completion of the Annual Meeting. Any rebroadcast, retransmission, or other audio distribution of the meeting without the express written consent of CME Group is prohibited.
7. In the event of technical difficulties or other disruption of the Annual Meeting, the Chair may adjourn, recess, or expedite the Annual Meeting, as appropriate.

These rules of conduct are intended to benefit all shareholders and their proxies in attendance. The Chairman and Chief Executive Officer has sole authority to preside over the meeting and make any and all determinations regarding the conduct of the meeting, including the administration and interpretation of these rules of conduct. Any action taken by the Chairman and Chief Executive Officer at the meeting will be final, conclusive and binding on all persons.

We thank you for your consideration on behalf of all your fellow shareholders.
