RULES OF ORDER

Annual Meeting of Stockholders
Thursday, April 28, 2022
2:00 P.M.

Conducted Virtually through a Web-based Meeting Platform

1. The business of the Meeting will be taken up precisely as set forth in the Order of Business.
2. The only business matters to be conducted at the Annual Meeting are the matters set forth in FMC's Proxy Statement dated March 11, 2022.
3. Only stockholders as of the close of business on March 2, 2022, the record date, or their duly authorized proxies, are entitled to submit questions and vote at the Annual Meeting. Stockholders may vote until the polls close. The polls will close immediately after the presentation of last matter being proposed for a vote by stockholders. The Chairman of the Meeting will announce the closing of the polls.
4. Any stockholder who has properly presented a stockholder proposal or director nomination to be voted on at the Meeting in accordance with our By-law procedural requirements will be permitted up to five minutes to present the stockholder proposal or director nomination. Following a brief responsive statement from the Chairman or his designee, and for up to an additional five-minute period, other stockholders may ask questions regarding the matter, to which the proponent or the Company may respond.
5. The Chairman shall decide all questions raised as to the procedure being followed at the Meeting. The Chairman may consult with such persons as he deems appropriate in arriving at decisions regarding conduct of the Meeting. The Chairman reserves the right to rule out of order any questions or comments that do not conform to these Rules.
6. We welcome questions from stockholders, which will be addressed during the Question and Answer session after the formal close of the Meeting. In order to give as many stockholders as possible the opportunity to ask questions, we ask that you please limit yourself to one question/topic. Questions may be submitted online beginning shortly before the start of the Annual Meeting through www.virtualshareholdermeeting.com/FMC2022.

7. The views, comments or criticisms of the stockholders are welcome, but conducting the business set out in the Order of Business, for the benefit of all stockholders, will be paramount. The Chairman will rule as out of order and shall decline to address, questions or comments that are, among other things:

- Irrelevant to the business of the Company,
- Not of general concern to all stockholders,
- Disorderly,
- Repetitious statements already made by another person,
- In furtherance of the speaker's personal or business interests,
- Addressed to current business performance (due to the "quiet period" now in effect before our upcoming First Quarter earnings announcement); or
- Subject to resolution by collective bargaining.

8. Broadridge will record the Annual Meeting and a replay of the Annual Meeting will be made available for approximately 30 days from the date of the meeting (a link will be provided on our website). Any other recording of the Annual Meeting is prohibited.

9. In the event of technical malfunction or other significant problem that disrupts the Annual Meeting, the Chairman may adjourn, recess, or expedite the Annual Meeting, or take such other action that the Chairman determines is appropriate in light of the circumstances.
