**SPECIAL MEETING OF STOCKHOLDERS**

<b>MEETING PROCEDURES</b>
---------------------------

Welcome to the Special Meeting of Stockholders (the “Meeting”) of ForgeRock, Inc. (“ForgeRock”). The following procedures have been established in order to provide for a fair and informative Meeting. Thank you in advance for your cooperation in adhering to them.

1. In accordance with ForgeRock’s bylaws, business transacted at the Meeting will be confined to the matters set forth in the agenda, which you can access by following the link titled “Agenda” located on the virtual meeting platform. No presentations of new business will be accepted from the floor of the Meeting.
2. If you would like to vote your shares at the Meeting, please do so when the polls are opened during the Meeting. You can vote your shares by clicking on the appropriate link on the virtual Meeting website and following the prompted instructions. If you have previously submitted a proxy and do not wish to change your voting instructions, you should not vote at the Meeting. By voting, you will revoke your prior proxy.
3. If you have questions on how to vote your shares at the Meeting, please consult the customer support line or submit your questions through the meeting website. We will only address questions related to voting shares at the Meeting. We may summarize questions in the interest of time, and we may not be able to answer every question. If there are multiple questions on the same topic, we may consolidate the questions and respond collectively.
4. No audio or visual recording of the Meeting is permitted.
5. In the event of disorder, technical malfunction, or another significant problem that disrupts the Meeting or prevents the Meeting from convening, we will attempt to continue the Meeting on the same website for up to 30 minutes.
6. The chairperson of the Meeting has the exclusive authority to make all determinations with respect to the conduct of the Meeting, including adjournment of the Meeting to a later date, consistent with ForgeRock’s bylaws and these procedures. The chairperson of the Meeting will have the sole authority to establish any additional procedures as he reasonably determines. Any person who refuses to comply with these procedures or otherwise disrupts the orderly conduct of the Meeting is subject to removal from the Meeting.

Additional information on the Meeting, including the business to be transacted at the Meeting, is available in the proxy statement mailed to stockholders on or about December 8, 2022.
