Welcome to the 2023 Annual Stockholders’ Meeting. We will be asking for proof of stock ownership (control number) to participate in the meeting. To keep the meeting on schedule, we plan to follow the Order of Business outlined in this program. We ask your cooperation in following the Order of Business and observing the following rules of procedure for the meeting:

- The only business to be conducted at the meeting are the matters set forth in the Notice of 2023 Annual Stockholders’ Meeting and Proxy Statement dated March 31, 2023.

- Only stockholders of record as of the close of business on March 17, 2023 or their proxy holders may participate in, submit questions and vote at the meeting. If you already voted, you do not need to vote again during the meeting. If you wish to change your vote, or to revoke your proxy and voting during the meeting, you may do so until the polls close by following the instructions on the meeting website. They will remain open until the end of the Q&A period. You will need your control number to vote and ask questions during the meeting.

- Proponents of the stockholder proposals (or their duly appointed representatives) who have not made alternative arrangements with the company will be provided an opportunity to present their proposal telephonically live during the meeting and will be allowed five minutes to present their proposal. Proponents or their representatives should restrict their comments to the stockholder proposal they are presenting.

- A question and answer session will be held during the meeting, as indicated in the Order of Business. Questions of general interest from stockholders are welcome. If you wish to ask a question during the Q&A session, please submit your name and question in the field provided.

- In order to give as many stockholders as possible the opportunity to have their questions answered, we ask that you please limit yourself to one question per stockholder. The purpose of the meeting will be observed, and we will not address questions or permit discussions that are:
  - related to personal grievances;
  - related to pending or threatened litigation;
  - related to material non-public information of the company;
  - unrelated to meeting matters or the business of the company;
  - derogatory references to individuals or that are otherwise in bad taste;
  - repetitious of questions or statements submitted by another stockholder;
  - related to stockholder nominations or proposals that were not previously submitted in accordance with our Bylaws or under Rule 14a-8; or
  - otherwise deemed inappropriate.

- Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together.

- In the event technical or other issues delay or disrupt our ability to start the meeting for longer than 30 minutes, and accordingly the meeting has not started by 9:30 AM, the chair or secretary of the meeting will convene the meeting at 10:00 AM at the company’s address at 2200 Mission College Blvd., Santa Clara, California for the purpose of adjourning the meeting to reconvene virtually or in person. In this situation, we will post information regarding the date, time, and place of the reconvened meeting on our Investor Relations website at intc.com. These procedures will apply at any reconvened meeting.
• The chair of the meeting presides over the meeting and makes any and all determinations with respect to the meeting’s conduct, including the administration and interpretation of these procedures.

• Unauthorized recording of the meeting is prohibited.

We appreciate your attendance. Your fellow stockholders will appreciate your courtesy in observing these procedures.
