**Rules and Procedures for the Conduct of the Annual Meeting of Stockholders**

Welcome to Nurix's 2023 Annual Meeting of Stockholders. In the interest of an orderly and constructive meeting, we ask that you abide by the following rules and procedures:

1. The Chairman of the Meeting (the "Chairman") has the authority to conduct the meeting and rule on any questions or procedural matters that may arise. Any action taken by the Chairman will be final and binding on all persons.
2. The Annual Meeting will follow the agenda provided online at [www.virtualshareholdermeeting.com/NRIX2023](http://www.virtualshareholdermeeting.com/NRIX2023) (the "Annual Meeting Website").
3. The only business matters to be conducted at the Annual Meeting are the matters set forth in the Notice of 2023 Annual Meeting of Stockholders and 2023 Proxy Statement, dated March 24, 2023. Because we did not receive notice in accordance with our Bylaws of any additional matters to be considered, no other proposals or nominations may be introduced at the meeting.
4. Only stockholders as of the close of business on March 10, 2023, the record date for voting at the Annual Meeting, or their duly authorized proxies, are entitled to submit questions and vote at the Annual Meeting.
5. If you have already voted your shares, your vote has been received and there is no need to vote again, unless you wish to revoke or change your vote. If you have not voted, or you wish to revoke or change your vote, please do so online at [www.proxyvote.com](http://www.proxyvote.com) before 11:59 p.m., Eastern Time on May 3, 2023, or during the Annual Meeting at the Annual Meeting Website before the close of the polls.
6. We welcome questions from stockholders. An opportunity will be provided to submit written questions immediately before and during the Annual Meeting using the "Q&A" button on the Annual Meeting Website.
7. To allow us to answer questions from as many stockholders as possible, we ask that you please limit yourself to one question per shareholder. We will do our best to answer as many questions pertinent to the meeting as we can during the questions and answers session. Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together.

8. Stockholders' views, constructive comments and criticisms are welcome, but the Chairman will not address questions that are:
  - a. not pertinent to meeting matters or the business of Nurix;
  - b. substantially repetitious of statements made by another stockholder;
  - c. derogatory references to individuals or that are otherwise in bad taste;
  - d. related to personal grievances (including those related to employment issues);
  - e. in furtherance of the stockholder's personal or business interests;
  - f. related to pending or threatened litigation;
  - g. related to a matter of individual concern that is not a matter of interest to stockholders generally; or
  - h. out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chairman or Secretary in his or her reasonable judgment.
9. Participants who fail to comply with these Rules and Procedures risk being disconnected from the meeting.
10. In the event of technical malfunction or other significant problem that disrupts the Annual Meeting, the Chairman may recess or expedite the Annual Meeting, or take such other action that the Chairman determines is appropriate in light of the circumstances. The Chairman has the authority necessary to preside over the meeting and make any and all determinations with respect to the conduct of the meeting and procedures to be followed during the meeting.
11. If you encounter any technical difficulties accessing the Annual Meeting Website during the virtual meeting, please call: (844) 986-0822 (toll-free) or (303) 562-9302 (international). Technical support will be available starting 15 minutes prior to the start time of the Annual Meeting.
12. Recording of the Annual Meeting is prohibited. A replay of the Annual Meeting webcast will be available by visiting the Annual Meeting Website approximately 24 hours following the close of the Annual Meeting and will be available for approximately 12 months from the date of the meeting.

We appreciate your participation and observance of these rules and procedures. Thank you for your continued support and your interest in Nurix.
