

**RULES AND PROCEDURES FOR THE CONDUCT OF THE 2023 ANNUAL MEETING
OF STOCKHOLDERS**

**LEONARDO DRS, INC.
June 1, 2023**

Leonardo DRS, Inc. (the “Company,” “DRS,” “we” or “our”) welcomes you to its 2023 annual meeting of stockholders (the “Annual Meeting”). To facilitate broad stockholder attendance and participation and provide a consistent experience to all stockholders, regardless of location, the Annual Meeting is being held virtually. You will be able to attend the Annual Meeting virtually, vote your shares electronically and submit your questions in advance of the Annual Meeting by visiting www.virtualshareholdermeeting.com/DRS2023 and entering the 16-digit control number found on your proxy card, voting instruction form or notice you previously received. **You will not be able to attend the Annual Meeting in person.**

In order to conduct a fair, orderly and constructive Annual Meeting, we have adopted the following rules of procedure:

1. As previously disclosed in our proxy statement, only the following persons may attend our Annual Meeting:
 - Record and beneficial stockholders as of April 3, 2023;
 - Individuals holding a valid proxy from a record holder; and
 - Persons invited by DRS to attend the Annual Meeting.
2. To vote or submit questions during the Annual Meeting, stockholders should visit www.virtualshareholdermeeting.com/DRS2023 and log in as a stockholder by entering the 16-digit control number the stockholder received with its proxy card, voting instruction form or notice. If you have voted your shares prior to the start of the Annual Meeting, your vote has been received by the Company’s inspector of elections and there is no need to vote those shares during the Annual Meeting, unless you wish to revoke or change your vote.
3. In order to use the time of all attendees as effectively as possible, subject to the discretion of the presiding officer of the Annual Meeting, we will handle the official business of the Annual Meeting first, as outlined on the agenda, a copy of which is available at www.virtualshareholdermeeting.com/DRS2023. After we have reviewed all proposals, we will read and respond to stockholder questions and comments on the proposals and other procedural matters relating to the Annual Meeting in accordance with these rules and procedures. After voting on the proposals has concluded, there will be a separate question and answer period where management will read and address questions relating to the general business and affairs of the Company that have been submitted in advance of the Annual Meeting in accordance with the rules and procedures outlined below.
4. The following rules will apply to the question and answer process:

- a. If a stockholder would like to ask a question about one of the proposals being voted on at the Annual Meeting, other procedural matters relating to the Annual Meeting, or relating to the general business and affairs of the Company in advance of the Annual Meeting in accordance with these rules and procedures, the question can be submitted at www.virtualshareholdermeeting.com/DRS2023, and a stockholder may log in by entering the 16-digit control number the stockholder received with its proxy card, voting instruction form or notice until May 31, 2023 at 11:59 p.m.
 - b. If a stockholder would like to ask a question about one of the proposals being voted on at the Annual Meeting or other procedural matters relating to the Annual Meeting during the Annual Meeting, the question can be submitted in the field provided in the virtual meeting portal at or before the time the matters are before the Annual Meeting for consideration. Questions will be answered before the polls close.
 - c. Please submit all questions as early as possible to ensure adequate time for submission to, and review by, the presiding officer of the Annual Meeting.
 - d. In response to questions submitted by stockholders, the presiding officer of the Annual Meeting will either respond directly or another DRS officer, director or other representative will respond.
 - e. We welcome stockholder input. However, the purpose of the Annual Meeting, as set forth in the notice of the Annual Meeting and the agenda, will be observed, and the presiding officer will not entertain questions that are:
 - Not directly related to the agenda or our business or operations;
 - Related to material non-public information of the Company;
 - Related to pending or threatened litigation or investigations;
 - Substantially repetitious of prior comments;
 - Related to personal grievances;
 - Derogatory or otherwise in bad taste; or
 - Not otherwise suitable for the conduct of the Annual Meeting as determined by the presiding officer of the Annual Meeting in his own reasonable judgment.
 - f. To allow as many stockholders to be heard from as possible, we ask stockholders to limit their questions to a maximum of two questions. The question and answer periods will be limited to a total of 15 minutes. A question should cover only one topic. Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together.
5. If there are any matters of individual concern to a stockholder and not of general concern to all stockholders, or if a question posed was not otherwise answered, such matters may

be raised separately after the Annual Meeting by contacting Investor Relations at 703-409-2906.

6. In the event of a technical malfunction or other significant problem that disrupts the Annual Meeting, the presiding officer of the Annual Meeting may adjourn, recess, or expedite the Annual Meeting, or take such other action that the presiding officer of the Annual Meeting determines is appropriate in light of the circumstances.
7. If you encounter any difficulties accessing the Annual Meeting during the check-in or during the Annual Meeting, please call the technical support number that will be posted on the Annual Meeting log-in page.
8. Recording of the Annual Meeting is prohibited without written permission of the Company.
9. **A violation of any of the above is cause for expulsion from the Annual Meeting.**

Thank you in advance for your cooperation and continued support of Leonardo DRS, Inc.
