

**CBOE GLOBAL MARKETS, INC.**  
**ANNUAL MEETING OF STOCKHOLDERS**  
**MAY 16, 2024**

**RULES OF PROCEDURE**

Welcome to the Cboe Global Markets, Inc. Annual Meeting of Stockholders. In fairness to all stockholders, and in the interest of having a fair, informative, orderly and constructive meeting, we ask that all participants adhere to the following rules of procedure. Thank you for your cooperation.

1. *Order and Conduct of Business:* The business of the meeting will follow the order of the *Meeting Agenda*. The Chairman shall have the authority necessary to preside over the meeting and will make all determinations with respect to the conduct of, and procedures to be followed at, the meeting.
2. *Voting:* Only holders of record of the Company's common stock as of the close of business on **March 21, 2024** are entitled to vote or submit questions while participating at the virtual annual meeting. Each share of the Company's common stock entitles the holder to one vote for each proposal to be voted on at the meeting. If you have already voted by mailing in proxies or via telephone or internet, you should not vote at this meeting, unless you wish to revoke your prior proxy. If you have not voted, you will be given the opportunity to vote before the polls are closed. To vote, please login as a stockholder by entering the 16-digit control number you received with your proxy materials.
3. *Addressing the Meeting:* If you have a question about one of the proposals to be voted on at the meeting, such question must be submitted in the field provided in the web portal at or before the time the proposals are before the meeting for consideration. After voting is closed, we will give a presentation about the Company's business. At the conclusion of this presentation, we will address appropriate general questions from stockholders regarding the Company. To submit questions, please login as a stockholder by entering the 16-digit control number you received with your proxy materials and submit the questions in the field provided in the web portal during the meeting. In order to give all stockholders who wish to comment an opportunity to do so, stockholders are limited to **two** questions each and the second question may be addressed only after each other stockholder has had an opportunity to ask a question. The Chairman reserves the right to decline to answer questions in his discretion.
4. *Remarks and Questions:* We will not address questions from the press or analysts. Questions or remarks must be relevant to the meeting, pertinent to matters properly before the meeting and briefly stated. Questions or comments received during the meeting will be presented as submitted, uncensored and unedited, except that we may omit certain personal details for purposes of data protection or we may edit profanity or other inappropriate language. Questions or comments regarding general economic, political or other views that are not directly related to the business of the meeting, that are of an individual concern to a stockholder or that are not an appropriate subject matter for general discussion, are not pertinent to the meeting and therefore will not be presented. If we receive substantially similar questions, we may group those questions together and provide a single response to avoid repetition. If there is any matter that is of individual concern to a stockholder or that is not an appropriate subject matter for general discussion, please contact Investor Relations after the meeting at [investorrelations@Cboe.com](mailto:investorrelations@Cboe.com) or (312) 786-7559.
5. *Electronic Devices:* The use of cameras, sound recording equipment, communication devices or any similar equipment (including taking pictures or recording video using a cell phone or computer) is prohibited without the prior express written permission of the Company. An audio replay of the meeting will be posted and publicly available approximately 24 hours after the meeting on the Events and Presentations page of our Investor Relations website at <http://ir.Cboe.com>.
6. *Violation of Rules of Procedure:* Violation of the *Rules of Procedure* will be considered cause for expulsion from the meeting. In the event of disorder, the Chairman may immediately adjourn the meeting.
