

Annual Meeting of Stockholders

MEETING CONDUCT STANDARDS AND PROCEDURES

Welcome to Cryoport’s Annual Meeting of Stockholders. We thank you in advance for adhering to the following procedures that have been established in order to provide for an orderly meeting for all those attending.

Business of the Meeting:

The business of the meeting will be presented as set forth on the Agenda, which is available in the “Meeting Materials” section of the virtual meeting platform. Only Agenda items may be transacted at this meeting.

The Chairman will have the discretion to take such action as he may deem necessary or desirable to conduct the meeting in a business-like and orderly manner.

Rules of Conduct:

In fairness to all stockholders in attendance and in the interest of an orderly meeting, we require that you honor the following rules of conduct:

1. Because this is a meeting of the stockholders, only stockholders as of the record date or their proxy holders are permitted to vote or ask questions during the Annual Meeting of the Stockholders. Non-stockholder guests and members of the media will not be permitted to vote or ask questions.
2. If you have already voted your shares, your vote has been received by the Company’s Inspector of Elections, and there is no need to vote again during the meeting, unless you wish to revoke or change your vote.
3. We will strictly follow the Agenda as we conduct the meeting.
4. If a stockholder has a question about one of the matters in the Agenda to be voted on by the stockholders at the Annual Meeting, such question may be submitted in the field provided in the web portal at the time the matters are before the Annual Meeting for consideration. We will answer questions on any matters in the Agenda to be voted on by the stockholders at the Annual Meeting before the voting is closed.

5. Following adjournment of the formal business of the Annual Meeting, the Company's CEO will give a presentation about the Company's business. At the conclusion of this presentation, the CEO will address appropriate general questions from stockholders regarding the Company. Such questions may be submitted in the field provided in the web portal during the Annual Meeting.
6. To allow us to answer questions from as many stockholders as possible, we will limit each stockholder to two questions. It will help us if questions are succinct and cover only one topic per question. Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together.
7. The taking of photographs and use of audio or video recording equipment is prohibited. The unauthorized recording or transmission of this meeting, without the express written consent of the Company is strictly prohibited.
8. The views and comments of all stockholders are welcome. However, the purpose of the meeting will be observed and discussions will be stopped that are:
 - irrelevant to the business of the Company or to the business of the Annual Meeting;
 - related to pending or threatened litigation;
 - related to material non-public information of the Company;
 - related to personal grievances;
 - derogatory, defamatory, or inflammatory statements or references that are not in good taste;
 - repetitious statements already made by another stockholder;
 - in furtherance of the stockholder's personal or business interests; or
 - out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chair or Secretary in their reasonable judgment.
9. If there are any matters of individual concern to a stockholder and not of general concern to all stockholders, or if a question posed was not otherwise answered, such matters may be raised separately after the Annual Meeting by contacting Thomas Heinzen, VP of Corporate Development and Investor Relations at theinzen@cryoport.com.
