RULES OF CONDUCT

2024 ANNUAL MEETING OF STOCKHOLDERS JUNE 5, 2024 – 8:30 AM MOUNTAIN TIME VIRTUAL ANNUAL MEETING

In the interest of an orderly meeting, we will conduct the meeting in accordance with the following procedures:

1. The business of the meeting will be conducted as set forth in the Agenda.
2. Only stockholders of record at the close of business on April 15, 2024 (or their proxy holders) are entitled to submit questions relevant to the business of the meeting.
3. Any substantive stockholder proposals or nomination for membership on the Board during the meeting will not be entertained.
4. If a stockholder has a question not related to an Agenda item, the stockholder should submit the question to our Investor Relations department at (303) 357-7219. Stockholders may submit questions relevant to the business of the meeting prior to and during the question and answer period as set forth in the Agenda by typing questions in the box on the meeting website.
5. Stockholder questions must be pertinent to the particular issues before the meeting. Questions or comments submitted that are not directly related to the business of the Company may be ruled out of order and will not be addressed during the question and answer period. Follow-up questions submitted during the question and answer period will be addressed only if time permits and after all other pertinent questions have been addressed.
6. To the extent time does not allow us to answer all of the appropriately submitted questions, we will respond by posting answers to our website under our Investors tab following the meeting.
7. We will not repeat questions already asked by other stockholders. If we receive substantially similar questions, we will group such questions together and provide a single response to avoid repetition.

Thank you for your cooperation.
