

GREEN THUMB INDUSTRIES INC.

VIRTUAL ANNUAL GENERAL MEETING OF SHAREHOLDERS

June 12, 2024

RULES AND PROCEDURES FOR CONDUCT

We welcome you to the Annual General Meeting of Shareholders of Green Thumb Industries Inc. (“*Green Thumb*” or the “*Company*”). In order to provide a fair and efficient meeting, we have established these rules and procedures for the conduct of the meeting. Your cooperation in observing the following rules and procedures is greatly appreciated.

1. **Attendance and Statements by Shareholders**. To vote or ask questions at the meeting, you must be either a shareholder of record as of April 19, 2024 or a person named on a signed, written proxy given by such a shareholder. To vote or submit questions, please login as a shareholder to the webcast at www.virtualshareholdermeeting.com/GTBIF2024 by entering the 16-digit control number you received with your proxy materials.

2. **Shareholder Questions**. If you wish to ask questions during the meeting, please use the Q&A tool on the webcast meeting portal. To submit your question, enter your question in the field provided under the “Ask a Question” heading and click the green “Submit” button. When submitting a question, include your name and identify yourself as a Green Thumb shareholder or proxy for a Green Thumb shareholder. If you are a proxy for a shareholder, please identify such shareholder. Discussion on any item of business must be relevant to the item of business being considered.

So that we may proceed expeditiously while giving as many shareholders as possible the opportunity to ask questions, we will limit each shareholder to two questions. Please restrict your questions or remarks to matters properly before the meeting and of general Company concern. It will help us if questions are succinct and cover only one topic per question. Questions from multiple shareholders on the same topic or that are otherwise related may be grouped, summarized and answered together. If any shareholder has questions of individual concern and not appropriate for general discussion, please contact the Company’s Investor Relations department after the meeting to discuss the matter (investorrelations@gtgrows.com or 310-622-8257).

3. **Items of Business and Introduction of Business**. We have not received notice of, and are not aware of, any business to come before the meeting other than those items of business listed on the accompanying Agenda. Accordingly, pursuant to the Company’s Amended and Restated Articles (the “*Articles*”), only those items of business listed on the accompanying Agenda may be properly introduced at the meeting.

4. **Nominations of Directors.** Pursuant to the Company’s Articles, only those nominations of directors for which the Company’s corporate secretary has received proper and timely notice prior to the date of the meeting shall be considered in the election of directors. No other nominations may be made or considered.

5. **Voting.** Green Thumb shareholders who wish to vote at the meeting may do so via the Voting Tool on the webcast, by clicking on the green “Vote Here!” button in the lower right quadrant of the webcast. If you have already voted by proxy, there is no need to vote at the meeting, unless you wish to change your vote. Any vote submitted at the meeting will revoke an earlier submitted proxy.

Following discussion of the Agenda items, the polls will be declared closed. No further voting with respect to any business will be permitted and no further ballots, proxies, or evidence will be considered or accepted by the inspector of election.

6. **Recording.** Recording the annual meeting is prohibited. A webcast playback will be available at www.virtualshareholdermeeting.com/GTBIF2024 within 24 hours after completion of the meeting.

7. **Technical Assistance.** Technical assistance with the webcast tool is available at 844-986-0822 (from the U.S.) or at +303-562-9302 (from outside of the U.S.).

8. **Limits on Company Disclosures.** None of the Company’s directors and officers will respond to any questions or comments seeking disclosure of material nonpublic information. The Company’s directors and officers also will not respond to any questions or comments relating to pending or potential litigation or claims involving the Company.

9. **Administration and Interpretation.** Pursuant to the Company’s Articles, the chairman of the meeting shall have sole authority to preside over the meeting and make any and all determinations with respect to the conduct of the meeting, including, without limitation, the administration and interpretation of these rules and procedures. The chairman shall also have sole authority to create such additional rules and procedures and to waive full or partial compliance with any rule or procedure as the chairman shall reasonably determine. Any action taken by the chairman shall be final, conclusive and binding on all persons.
