Duke Energy strives to provide our shareholders at the online-only Annual Meeting the same rights that they would have had at an in-person meeting and an enhanced opportunity for participation and discourse.

- Shareholders who have submitted a proposal for the Annual Meeting are given the choice of recording the presentation of their proposal in advance or presenting their proposal live via a third-party operated telephone line.
- During the presentation of shareholder proposals, each presenter will have three minutes to present the proposal and supporting statement, whether presented live or in pre-recorded form. The presenter should restrict their comments to the shareholder proposal being presented.
