HUNTSMAN CORPORATION
ANNUAL MEETING OF STOCKHOLDERS
APRIL 29, 2026
RULES OF CONDUCT

Welcome to the 2026 Annual Meeting of Stockholders (the "*Annual Meeting*") of Huntsman Corporation (the "*Company*"). The Annual Meeting is being held as a virtual-only meeting through the portal available at www.virtualshareholdermeeting.com/HUN2026 (the "*Meeting Website*").

The Annual Meeting is scheduled for Wednesday, April 29, 2026, at 8:00 a.m. Central Time. Online access to the Meeting Website will open approximately 15 minutes prior to the start of the Annual Meeting.

In fairness to all stockholders in attendance and in the interest of an orderly meeting, we ask you to honor the following rules of conduct:

- The Annual Meeting will follow the Agenda posted on the Meeting Website. When an item on the Agenda is before the meeting for consideration, discussion should be confined to that item.

- Only business which is appropriate for action by the stockholders and properly brought before the Annual Meeting may be considered.

- Only stockholders of record as of the close of business on March 6, 2026, or their proxy holders may address the Annual Meeting.

- If a stockholder has questions, such questions may be submitted in writing on the Meeting Website. Stockholder questions or remarks must be relevant to the Annual Meeting. The Annual Meeting is not to be used as a forum to present general economic, political or other views that are not directly related to the business of the Company.

- We do not intend to address any questions that are, among other things:

    - irrelevant to the business of the Company or the conduct of its operations;
    - derogatory references which are not in good taste;
    - unduly prolonged (longer than three minutes);
    - substantially repetitious of statements made by other stockholders; or
    - related to personal grievances.

- Any matters of individual concern to a stockholder and not of general concern to all stockholders may be raised separately after the Annual Meeting by contacting Investor Relations at *www.huntsman.com/investors*.

- To allow us to answer questions from as many stockholders as possible, we will limit each stockholder to three questions. It will help us if questions are succinct and cover only one

topic per question. Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together.

- If you have already voted by proxy, you do not need to vote here at the Annual Meeting. Please do not submit a vote at the Annual Meeting unless you want to change the way you voted on your proxy.

- No recording of the Annual Meeting is allowed, including audio and video recording.

To provide for the orderly conduct of the Annual Meeting, the Chairman or Secretary may elect to expand or contract any discussion period, to rule matters out of order or to remove any person whose comments or behavior are disruptive to the meeting.

Thank you for your cooperation and for joining the Company at the Annual Meeting.
