Important information to help you understand and vote on the proposals

Please read the full text of the proxy statement. Below is a brief overview of the proposals to be voted upon. Your vote is important. We appreciate you placing your trust in Fidelity and look forward to helping you achieve your financial goals.

What proposals am I being asked to vote on?

You are being asked to elect a Board of Trustees to oversee the funds you own.

In addition, shareholders of Fidelity Freedom 2010, Fidelity Freedom 2020, Fidelity Freedom 2025, Fidelity Freedom 2030, Fidelity Freedom 2040, Fidelity Freedom 2045, and Fidelity Freedom 2050 have submitted a shareholder proposal that requests that the Board of Trustees “institute procedures to prevent holding investments in companies that, in the judgment of the Board, substantially contribute to genocide or crimes against humanity, the most egregious violations of human rights.”

What role does the Board play?

The Trustees serve as the fund shareholders' representatives. Members of the Board are fiduciaries and have an obligation to serve the best interests of shareholders, including consideration of policy changes. In addition, the Trustees review fund performance, oversee fund activities, and review contractual arrangements with companies that provide services to the fund.

What is the affiliation of the Board and Fidelity?

Pursuant to each trust's governing document, the Trustees have determined that each trust's Board will have eight members: two “Interested” trustees and six “Independent” trustees. Trustees are determined to be “Interested” by virtue of, among other things, their affiliation with the funds, trusts, or various other entities under common control with Fidelity Management & Research Co. (FMR). Interested Trustees are compensated by FMR. Independent Trustees have no affiliation with FMR and are compensated by each individual fund.

Are Board members paid?

Each Independent Trustee receives a fee for his or her service on the Board and participates in a deferred compensation plan. You can find the compensation table, which details these fees, in the proxy statement.

Has the funds' Board of Trustees approved each proposal?

The Board of Trustees has unanimously approved the proposal to elect a Board of Trustees and recommends that you vote to approve the proposal.

The Board of Trustees has not approved of the shareholder proposal for each of Fidelity Freedom 2010, Fidelity Freedom 2020, Fidelity Freedom 2025, Fidelity Freedom 2030, Fidelity Freedom 2040, Fidelity Freedom 2045, and Fidelity Freedom 2050, which, if adopted, requests that the Board of Trustees “institute procedures to prevent holding investments in companies that, in the judgment of the Board, substantially contribute to genocide or crimes against humanity, the most egregious violations of human rights.” As discussed in the proxy statement, the Board of Trustees recognizes

and respects that investors, including those investing in these funds, have other investment opportunities open to them should they wish to avoid investments in certain companies or countries. Shareholders of these funds, however, have chosen to invest based on the funds' specific stated investment policies. If adopted, these proposals would limit investments by these funds that would be lawful under the laws of the United States. The Board of Trustees recommends that you vote against the shareholder proposal.

Who is D.F. King & Co., Inc.?

D.F. King is a third party proxy vendor that Fidelity hires to call shareholders and record proxy votes. In order to hold a shareholder meeting, quorum must be reached. If quorum is not attained, the meeting may adjourn to a future date. Fidelity attempts to reach shareholders via multiple mailings to remind them to cast their vote. As the meeting approaches, phone calls may be made to clients who have not yet voted their shares so that the shareholder meeting does not have to be postponed.

Voting your shares immediately will help minimize additional solicitation expenses and prevent the need to make a call to you to solicit your vote.

How many votes am I entitled to cast?

As a shareholder, you are entitled to one vote for each dollar of net asset value you own of each of the funds on the record date. The record date is May 18, 2009.

How do I vote my shares?

You can vote your shares by completing and signing the enclosed proxy card(s) and mailing it in the enclosed postage-paid envelope. You may also vote by touch-tone telephone by calling the toll-free number printed on your proxy card(s) and following the recorded instructions. In addition, you may vote through the internet by visiting the web site indicated on your proxy card and following the on-line instructions. If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call Fidelity at 1-800-544-8544 (other than for Advisor or institutional classes) or 1-877-208-0098 (Advisor or institutional classes only).

How do I sign the proxy card?

Individual Accounts: Shareholders should sign exactly as their names appear on the account registration shown on the card.

Joint Accounts: Either owner may sign, but the name of the person signing should conform exactly to a name shown in the registration.

All Other Accounts: The person signing must indicate his or her capacity. For example, a trustee for a trust or other entity should sign, "Ann B. Collins, Trustee."
