On or about March 11, 2016, the Company will mail to all holders of record as of February 29, 2015 (the "Record Date") of Common Shares of the Company ("Common Shares") either (1) a copy of the Notice of Annual Meeting of Shareholders, this proxy statement, the form of proxy card and the Annual Report, or (2) a Notice of Internet Availability of Proxy Materials, which will indicate how to access the Company's proxy materials on the Internet.

VOTING INFORMATION

Whether or not you plan to participate in the Annual Meeting, you may ensure your representation by voting your common shares by one of the following methods:

- by submitting a traditional paper proxy card;
- by submitting a proxy via the Internet prior to the Annual Meeting; or
- by participating in the Annual Meeting online and voting electronically during the meeting, or attending the virtual meeting at 401 Clinton St., Defiance, Ohio.

Submitting a Proxy via the Internet. You may submit a proxy via the Internet by following the instructions set forth on the form of proxy card or the Notice of Internet Availability of Proxy Materials. If your common shares are registered in the name of a broker, financial institution or other nominee (*i.e.*, you hold your common shares in “street name”), your nominee may allow you to submit a proxy via the Internet. In that case, the voting form your nominee sent you will provide instructions for submitting your proxy via the Internet. For shareholders whose Common Shares are registered in the name of a broker, financial institution or other nominee, please consult the instructions provided by your nominee for information about the deadline for submitting a proxy via the Internet.

Voting at the Annual Meeting. Shareholders are welcome to participate and vote your shares in person at 401 Clinton St. in Defiance on April 20, 2016. If you choose to participate in the Annual Meeting online, you will have the opportunity to vote electronically during the Annual Meeting webcast. Shareholders can participate in the Annual Meeting via live webcast and vote electronically over the Internet at www.virtualshareholdermeeting.com/SBFG2016.

In accordance with Company policy, proxy cards, ballots and voting instructions that identify individual shareholders will be kept confidential. Exceptions to this policy, however, may be necessary in limited instances to comply with applicable legal requirements and, in the event of a contested proxy solicitation, to verify the validity of proxies presented by any person and the results of the voting.

Quorum Requirement for the Annual Meeting

Under the Company's Amended and Restated Regulations (the "Regulations"), a quorum is a majority of the Common Shares outstanding. Holders of Common Shares may be present in person via participation in the online webcast or represented by proxy at the virtual Annual Meeting. Both abstentions and broker non-votes are counted as being present for purposes of determining the presence of a quorum. In general, broker non-votes occur when Common Shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker lacks discretionary authority to vote such Common Shares on the proposal. Brokers have discretionary authority to vote their customers' Common Shares on "routine" proposals, even if they do not receive voting instructions from their customers. Brokers cannot, however, vote their customers' Common Shares on "non-routine" matters without instructions from their customers. Pursuant to applicable stock exchange rules, the ratification of the appointment of SB Financial's independent registered public accounting firm (Proposal No. 2) is the only routine matter. The election of directors and each of the other Proposals are considered non-routine matters and, therefore, your broker may vote on these matters only if you provide voting instructions.

Cost of Proxy Solicitation

The Company will bear the costs of preparing, printing and delivering this proxy statement, proxy card and any other related materials, as well as all other costs incurred in connection with the solicitation of proxies on behalf of the Board (other than the Internet usage charges incurred if a shareholder appoints a proxy electronically). Proxies will be solicited by mail and may be further solicited, for no additional compensation, by officers, directors or employees of the Company and its subsidiaries by further mailing, by telephone or by personal contact. The Company will also pay the standard charges and expenses of brokers, voting trustees, financial institutions and other custodians, nominees and fiduciaries who are record holders of common shares not beneficially owned by them, for forwarding materials to and obtaining proxies from the beneficial owners of Common Shares entitled to vote at the Annual Meeting.

Your Vote Is Important. Your prompt cooperation In voting your Common Shares is greatly appreciated.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

In accordance with the Regulations of the Company, three directors will be elected at the Annual Meeting for terms of three years. The Board proposes that each of the three director nominees identified below be re-elected for a new term of three years expiring in 2019. Each of these nominees was approved by the Board upon the recommendation of the Governance and Nominating Committee.

Each individual elected as a director at the Annual Meeting will hold office for a term of three years and until his or her successor is elected and qualified, or until his or her earlier resignation, removal from office or death. Pursuant to the procedures set forth under the Regulations and Ohio law, the three nominees who receive the greatest number of votes will be elected as directors of the Company. Common Shares represented by properly submitted proxies will be voted **FOR** the election of the Board's nominees unless authority to vote for one or more nominees is withheld. Shareholders may withhold authority to vote for the entire slate as nominated or may withhold the authority to vote for one or more nominees. Common Shares as to which the authority to vote is withheld will be counted for quorum purposes, but will not be counted toward the election of directors or toward the election of the individual nominees for whom the authority to vote has been withheld. If a nominee who would otherwise receive the required number of votes becomes unavailable or unable to serve as a director for any reason, the individuals designated as proxy holders reserve full discretion to vote the common shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee designated by the Board. The Board has no reason to believe that any of the nominees named below will not serve if elected.

The Board of Directors proposes the election of the following persons, all of whom were recommended by the Governance and Nominating Committee, to terms that will expire in 2019:

**YOUR BOARD RECOMMENDS THAT SHAREHOLDERS

CORPORATE GOVERNANCE

Director Independence

The Board has reviewed, considered and discussed each director's relationships, both direct and indirect, with the Company and its subsidiaries, including those described under the heading "**TRANSACTIONS WITH RELATED PERSONS**" beginning on page 20 of this proxy statement. As part of its review, the Board has considered and discussed the compensation and other payments, if any, each director has, both directly and indirectly, received from or made to the Company and its subsidiaries in order to determine whether such director qualifies as independent based on the definition of an "independent director" set forth in Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market ("NASDAQ").

The Board has affirmatively determined that the Board has at least a majority of independent directors, and that each of the following directors has no financial or personal relationships, either directly or indirectly, with the Company or its subsidiaries (other than compensation as a director of the Company and its subsidiaries, banking relationships in the ordinary course of business with the Company's banking subsidiaries and ownership of the Company's common shares as described in this proxy statement) and thus qualifies as an "independent director" under NASDAQ Marketplace Rule 5605(a)(2): George Carter, Gary M. Cates, Robert A. Fawcett, Jr., Gaylyn J. Finn, Richard L. Hardgrove, Rita A. Kissner, William G. Martin and Timothy J. Stolly. The Board has determined that Mark A. Klein does not qualify as an independent director because he currently serves as an executive officer of the Company and certain of its subsidiaries.

Director Qualifications and Review of Director Nominees

To fulfill its responsibility to recruit and recommend to the full Board nominees for election as Directors, the Governance and Nominating Committee reviews the composition of the Board to determine the qualifications and areas of expertise needed to further enhance the composition of the Board, and works to attract candidates with those qualifications. The Governance and Nominating Committee has adopted a written policy regarding qualifications of directors. Pursuant to this policy, individuals who are nominated for election to the Board must possess certain minimum personal and professional qualities, including, without limitation, personal integrity and ethical character; demonstrated achievement in business, professional, governmental, communal, scientific or educational fields; sound judgment borne of management or policy-making experience; and a general appreciation regarding major issues facing public companies of a size and operational scope similar to the Company. The policy also requires the Governance and Nominating Committee to consider the contributions that a candidate can be expected to make to the collective functioning of the Board based upon the totality of the candidate's credentials, experience and expertise, the composition of the Board at the time, and other relevant circumstances.

The Governance and Nominating Committee considers candidates for the Board from any reasonable source, including shareholder recommendations. The Governance and Nominating Committee does not evaluate candidates differently based on who has made the recommendation or the source of the recommendation. The Governance and Nominating Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used to date and, accordingly, no fees have been paid to consultants or search firms.

The Company does not have a formal policy that requires the consideration of diversity in identifying nominees for election to the Board. However, the Governance and Nominating Committee's policy regarding qualifications of directors provides that the Company will seek to promote through the nominations process appropriate diversity on the Board of professional background, experience, expertise, perspective, age, gender, ethnicity and country of citizenship.

The Board believes that each nominee and current Board member brings a strong and unique background and set of skills to the Board, giving the Board as a whole competence and experience in a wide variety of areas, including corporate governance and board service, executive management, insurance, accounting and finance, real estate, marketing and government.

Board Leadership

The Board of Directors expects its Chairman to possess extensive knowledge of the Company's business and industry as well as the experience and capacity to provide strategic direction to the Company. Consistent with this view, Richard L. Hardgrove served in the capacity of Chairman of the Board from July 2010 until April of 2015. Mr. Hardgrove has over 50 years of banking experience, including previously serving as the CEO of three different banks and serving for 16 years as the CEO of a bank holding company.

In April of 2015, the Board of Directors elected to combine the roles of Chief Executive Officer and Chairman and appointed Mark A. Klein as Chairman of the Board. This decision was based upon a variety of factors, including the composition of the Board, which is comprised of all independent directors other than Mr. Klein, Mr. Klein's demonstrated leadership qualities and extensive knowledge and experience with respect to the banking industry in general and the

Company's operations in particular. Based on the foregoing, the Board of Directors determined that Mr. Klein was in the best position to fill the strategic role of Chairman of the Board.

To also provide independent leadership for the Board, the Board appointed Richard L. Hardgrove to serve as Lead Independent Director upon Mr. Klein's appointment as Chairman in April of 2015. The Lead Independent Director's duties include acting as a liaison between the Board and management, approving the agenda for each Board meeting, leading the annual evaluation of the Chairman and CEO and acting as the Chairman for executive sessions of the Board. Because the Board is comprised of other strong independent directors and conducts regular executive sessions, which are led by the Lead Independent Director, the Board believes that its current leadership structure is appropriate.

Communications with the Board

Shareholders may initiate communication with the directors of the Board. Any shareholder wishing to do so may write to the Board of Directors at the Company's principal business address, 401 Clinton Street, Defiance, OH 43512. Any shareholder communication so addressed will be delivered to the director or a member of the group of directors to whom it is addressed or to the Lead Independent Director and Chairman if addressed to the Board of Directors. In addition, communication via the Company's website at www.YourStateBank.com may be used. There is no screening process in respect to shareholder communications. All shareholder communications received by an officer of SB Financial for the attention of the Board of Directors or specified individual directors are forwarded to the appropriate members of the Board.

MEETINGS AND COMMITTEES OF THE BOARD

Each member of the Board is expected to devote sufficient time, energy and attention to ensure diligent performance of his or her duties and to attend all Board, committee and shareholder meetings. The Board met twelve times during 2015, of which all were regularly scheduled meetings. Each director attended 75% or more of the aggregate of the number of meetings held by the Board and the number of meetings held by the Board committees on which he or she served during 2015. The Board has four standing committees: Audit Committee, Compensation Committee, Governance and Nominating Committee and Loan Review Committee. In accordance with the NASDAQ Marketplace Rules, the independent directors meet in executive session as appropriate matters for their consideration arise. The Company encourages all incumbent directors and director nominees to attend each annual meeting of shareholders. All of the incumbent directors and director nominees attended the Company's last annual meeting of shareholders held on April 29, 2015.

The Board's standing committees of independent directors facilitate and assist the Board in the execution of its responsibilities. Each of these committees operates under a written charter, which is available on the Company's website at www.YourStateBank.com by first clicking "Investor Relations", "Corporate Governance" and then "Supplementary Info."

In addition, the Board has determined that Gaylyn J. Finn qualifies as an "audit committee financial expert" for purposes of Item 407(d)(5) of Regulation S-K promulgated by the SEC by virtue of his service as the Treasurer and Associate Vice President for Finance of Bowling Green State University prior to his retirement and his CPA certification (currently inactive).

In addition, the Compensation Committee evaluates and makes recommendations regarding the compensation of the directors, including their compensation for services on Board committees. The Compensation Committee also administers the Company's stock incentive plans. For a full listing of the Compensation Committee duties and responsibilities, please reference the Committee charter which is available on the Company's website at www.YourStateBank.com by first clicking "Investor Relations", "Corporate Governance" and then "Supplementary Info."

Governance and Nominating Committee

The function of the Governance and Nominating Committee is to assist the Board in identifying qualified individuals to become directors of the Company and its subsidiaries, determining the composition of the boards of directors and their committees, monitoring a process to assess the effectiveness of the boards of directors and their committees and developing and implementing the Company's corporate governance guidelines. The Governance and Nominating Committee also evaluates the performance of the current members of the boards of directors of the Company and its subsidiaries on an annual basis. Members of the boards of directors participate in director education programs throughout the year. Education activities potentially include participation in conferences, seminars, or webinars conducted from time to time by national or state associations or industry experts.

Shareholders may recommend director candidates for consideration to the Governance and Nominating Committee by writing to Richard L. Hardgrove, Lead Independent Director of the Company, or Mark A. COMPENSATION OF EXECUTIVE OFFICERS

Overview

The Compensation Committee of the Board has the responsibility for establishing, implementing and continually monitoring adherence to the Company's compensation philosophy. The Compensation Committee ensures that the total compensation paid to the executive officers of the Company is fair, reasonable and competitive. The Compensation Committee also provides oversight for all significant compensation plans for all officers, non-officers, and directors.

Throughout this proxy statement, the individuals who served as the Company's Chief Executive Officer, Chief Financial Officer and Senior Lender during the 2015 fiscal year, and who are included in the Summary Compensation Table on page 12 of this proxy statement, are referred to as the "named executive" officers.

Compensation Philosophy

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific, long-term and strategic goals set by the Company, and which aligns executives' interests with those of the shareholders by rewarding performance above established goals, with the ultimate objective of improving shareholder value. The Compensation Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain quality employees in key positions. The Compensation Committee attempts to ensure that the compensation provided to key employees of the Company and its subsidiaries, including the named executive officers, remains competitive relative to the compensation paid to similarly situated employees at comparable companies. The Compensation Committee further believes that such compensation should include both cash and equity-based compensation that rewards performance as measured against established goals.

The Compensation Committee formally adopted a compensation philosophy in early 2012 which drives compensation decisions. The summarized philosophy is as follows:

The Company is committed to providing all executives with fair and equitable compensation programs. For "named executive" officers, this includes a competitive base salary, incentive compensation, both long-term and short-term, and other ancillary benefit programs. For non-executive employees, this includes a competitive base salary, short-term performance-based incentives, and other ancillary benefits as recommended by management. For directors this includes retainers, attendance fees, equity awards and other benefits as approved by the Board of Directors. The Company's objectives are to ensure its compensation arrangements are competitive as compared to peers in the financial industry and are consistent with the safety and soundness of the Company.

It is the policy of the Compensation Committee to conduct a periodic, independent review of the Company's compensation programs to verify the reasonableness of its compensation programs for executives, directors and key officers as compared to peer groups and all applicable federal and state laws, rules and regulations. The independent review is to be conducted by a nationally recognized independent compensation consulting company. The independent firm may not have any personal or business relationships with any Board member or officer of the Company.

The Compensation Committee engaged the services of Blanchard Consulting Group ("Blanchard") in 2015, a nationally recognized independent compensation consulting company. The Compensation Committee engaged Blanchard for projects that addressed compliance oversight and other services, including, but not limited to, development of

comparative peer group reviews, evaluation of various plans that impact executive compensation and meeting with and providing instruction to the Compensation Committee with regard to the elements of executive compensation planning.

Components of Executive Compensation

Base Salary

The determination of the base salaries of the executive officers of the Company is based upon an overall evaluation of a number of factors, including a subjective evaluation of individual performance, contributions to the Company and its subsidiaries, and analysis of how the Company's and its subsidiaries' compensation of its executive officers compares to compensation of individuals holding comparable positions with companies of similar asset size and complexity of operations.

During its review of each executive's base salary, the Compensation Committee primarily considers:

- market data provided by outside consultants, such as Blanchard Consulting Group; and
- internal review of the executive's compensation, both individually and relative to other officers; individual performance of the executive.

Non-Equity Incentive Compensation

The Incentive Compensation Plan is a company-wide incentive compensation program which is intended to link incentive compensation directly to the Company's and individual's performance and, thereby, to shareholder value. The following were some of the 2015 organization-wide objectives supported by the plan:

- build a high-performance financial company;
- grow the business;
- ensure sound operations, policies and procedures; and
- build on the value proposition strength within each business unit.

The following table sets forth the range of potential payouts under the 2015 Incentive Compensation Plan for the named executive officers.

Incentive Compensation Plan Opportunity Levels for 2015 Fiscal Year

Executive Officer	Estimated Possible Payouts Under Non-Equity Incentive Plan

Anthony V. Cosentino	\$17,910	\$35,820	\$71,641
Jonathan R. Gathman	\$15,810	\$31,620	\$63,240

For the 2015 fiscal year, Incentive Compensation awards were approved by the Compensation Committee for Mr. Klein (\$84,082), Mr. Cosentino (\$42,903) and Mr. Gathman (\$22,432).

Equity-Based Awards

The Company believes that it is also important to provide compensation which serves as an incentive for long-term corporate financial performance. These stock incentive plans are intended to encourage participants to acquire or increase and retain a financial interest in the Company, to remain in the service of the Company and to put forth maximum efforts for the success of the Company, and to enable the Company and its subsidiaries to compete effectively for the services of potential employees and directors by furnishing an additional incentive to join and/or remain with the Company and its subsidiaries.

Retirement, Severance and Change in Control Benefits

Employment Agreements. The Company entered into an Employment Agreement, dated as of July 15, 2015, with Mark A. Klein, President and Chief Executive Officer of the Company and State Bank (the "Employment Agreement"). Under the terms of the SERP Agreements, the executive officers are entitled to receive certain benefits following retirement. Information regarding the Change in Control Agreements is set forth under the heading "**CHANGE IN CONTROL AGREEMENTS**" beginning on page 15 of this proxy statement.

The Company provides named executive officers with perquisites and other personal benefits that the Company and the Compensation Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain quality employees for key positions.

The following table sets forth the cash compensation as well as certain other compensation awarded or paid to, or earned by, each of the named executive officers of the Company.

Change in Control Agreements

The Company updated a Change of Control Agreement on July 15, 2015 with Mark A. Klein Chairman, President and Chief Executive Officer of the Company. The Company also has a Change in Control Agreement dated April 21, 2010 with Anthony V. Cosentino in connection with his appointment as Executive Vice President and Chief Financial Officer of the Company. The Company also has a Change in Control Agreement dated April 30, 2012 with Jonathan R. Gathman for his role as Executive Vice President and Senior Lender of State Bank.

Each Change in Control Agreement has a rolling term of 36 months with the initial term being extended for an additional 12 months on each anniversary of the effective date of the Change in Control Agreement unless the Company notifies the executive officer in writing to the contrary at least 90 days before the anniversary date. Each Change in Control Agreement will generally renew automatically for an additional 12-months unless the Company notifies the executive

officer at least 90 days before the end of the then-current term that the Company does not wish to renew the Change in Control Agreement.

Under each Change in Control Agreement, (1) if an executive officer is terminated by the Company or its successor in connection with a "Change in Control" of the Company (as defined in the Change in Control Agreements but excluding any termination for "Cause" as defined in the Change of Control Agreements) during the "Protection Period" (as defined in the Change in Control Agreements and extending for 12 months following a Change in Control) or (2) if the executive officer terminates employment for "Good Reason" during the Protection Period, the Company or its successor will:

- pay the executive officer a lump sum cash payment equal to 2.99 times (Mr. Klein) or 2.0 times (Mr. Cosentino and Mr. Gathman) the executive officer's "Annual Direct Salary" (*i.e.*, the executive officer's annualized base salary based on the highest base salary rate in effect for any pay period ending with or within the 36-month period preceding the termination of his employment);
- provide the executive officer and the executive officer's family (if the executive officer elected family coverage prior to the termination of his employment) with continued health care, life insurance and disability insurance coverage without cost to the executive for a period of three years (Mr. Klein) or two years (Mr. Cosentino and Mr. Gathman), at the same level and subject to the same terms that were in effect on the first day of the Protection Period; and
- provide any other payments or benefits to which the executive officer is entitled under the terms of any other agreement, arrangement, plan or program in which the executive officer participates.

If a termination under the circumstances described above in connection with a Change of Control of the Company had occurred on December 31, 2015, Mr. Klein, Mr. Cosentino and Mr. Gathman would have been entitled to receive lump sum cash payments of \$855,093, \$378,205 and \$336,200, respectively. In addition, Mr. Klein, Mr. Cosentino and Mr. Gathman (and their respective families) would have been entitled to receive continued health care, life insurance and disability insurance coverage for a period of three years (Mr. Klein) or two years (Mr. Cosentino and Mr. Gathman) following termination, at an annual cost to the Company of approximately \$8,400 for each executive officer.

Under each Change in Control Agreement, if an executive officer's employment is terminated for "Cause" (as defined in the Change in Control Agreements) or if the executive officer voluntarily terminates his employment without "Good Reason" (as defined in the Change in Control Agreements), the Change in Control Agreement will terminate immediately and the executive officer will not be entitled to any compensation or benefits other than salary accrued through the date his employment terminated and benefits to which the executive officer is entitled under the terms of the Company's (or any successor entity's) benefit plans.

If an executive officer dies or becomes permanently disabled during his employment, his Change in Control Agreement will terminate and the Company will have no further obligations to the executive officer under his Change in Control Agreement. However, any compensation that becomes payable to an executive officer under his Change in Control Agreement prior to his death or permanent disability will continue to be paid to the executive officer or his designated beneficiary or estate, as appropriate.

If a Change in Control occurs and the executive officer receives payments under his Change in Control Agreement, the executive officer will be prohibited from engaging in certain prohibited activities in competition with the Company for two years following the termination of the executive officer's employment with the Company or its successor. The Change in Control Agreements also imposes customary confidentiality obligations on the executive officers.

SERP Agreements

Effective July 15, 2015, the Company entered into a SERP Agreement with Mark A. Klein, which amended and restated the prior SERP Agreement for Mr. Klein that originally became effective on March 1, 2006. Effective April 21, 2010, the Company also entered into a SERP Agreement with Anthony V. Cosentino.

Under the SERP Agreements, if the executive officer remains in the continuous employment of the Company until the executive officer's "Retirement Date" (*i.e.*, age 65 for Mr. Klein and Mr. Cosentino, unless shortened or extended by the Board), beginning on the first day of the month following the executive officer's termination of employment after the Retirement Date, the executive officer will receive an annual benefit equal to 25% (Mr. Klein), or 15% (Mr. Cosentino) of his "Annual Direct Salary" in equal monthly installments of 1/12th of the annual benefit for a period of 180 months. "Annual Direct Salary" means the executive officer's annualized base salary based on the highest base salary rate in effect for any pay period ending with or within the 36-month period preceding the termination of his employment.

If there is a "Change in Control" of the Company (as defined in the SERP Agreements) and the executive officer is terminated after such Change in Control, the executive officer will receive an annual benefit equal to 25% (Mr. Klein), or 15% (Mr. Cosentino) of his Annual Direct Salary calculated as of the date of the change in control or the date the

executive officer's employment is terminated, whichever is higher. The annual benefit will be paid in equal monthly installments of 1/12th of the annual benefit for a period of 180 months beginning on the first day of the month following the executive officer's termination.

If an executive officer voluntarily terminates his employment prior to the executive officer's Retirement Date, the executive officer's SERP Agreement will terminate immediately and the Company will pay the executive officer an early retirement benefit equal to:

- For Mr. Klein, 10% of his Annual Direct Salary if he terminates employment between age 55 and 60, 15% of his Annual Direct Salary if he terminates employment between age 60 and 65, and 25% of his Annual Direct Salary if he terminates employment at age 65; or
- For Mr. Cosentino, 5% of his Annual Direct Salary if he terminates employment between age 55 and 60, 10% of his Annual Direct Salary if he terminates employment between age 60 and 65, and 15% of his Annual Direct Salary if he terminates employment at age 65.

The early retirement compensation described above will be paid beginning on the first day of the month following the executive officer's termination in equal monthly installments of 1/12th of the annual benefit for a period of 180 months. If the executive officer dies at any time prior to the executive officer's Retirement Date while employed by the Company, the executive officer's death will be treated as a termination prior to Retirement Date and the executive officer's designated beneficiary or estate will receive an early retirement benefit as described above. If the executive officer voluntarily terminates his employment prior to age 55 or if the executive officer is discharged for "Cause" (as defined in the SERP Agreements), the executive officer will not be entitled to any compensation under his SERP Agreement.

If an executive officer dies or becomes permanently disabled during his employment, the executive officer's SERP Agreement will terminate and the Company will have no further obligations to the executive officer under the SERP Agreement. However, any compensation that becomes payable to an executive officer under his SERP Agreement prior to the executive officer's death or permanent disability (*i.e.*, compensation arising from termination on or after Retirement Date, prior to Retirement Date or following a Change in Control) will continue to be paid to the executive officer or the executive officer's designated beneficiary or estate, as appropriate.

During the term of the SERP Agreements and for a period of two years thereafter, the executive officers are prohibited from engaging in certain prohibited activities in competition with the Company. The SERP Agreements also impose customary confidentiality obligations on the executive officers.

Employment Agreement

The Company entered into the Employment Agreement with Mark A. Klein on July 15, 2015. Under the Employment Agreement, Mr. Klein is employed as the Chief Executive Officer of the Company and will perform any duties assigned to him from time to time by the Board. Mr. Klein must devote his full time and attention to the Company's business, and he may not engage in any activities which compete with activities of the Company or its subsidiaries. Mr. Klein is also prohibited from serving any company which competes with the Company or its subsidiaries.

The term of the Employment Agreement runs from July 15, 2015 to July 15, 2018 and the term thereafter automatically extends for additional one-year periods unless terminated.

During the term of the Employment Agreement, Mr. Klein will be paid an annual base salary of \$285,984 or a higher amount set by the Company. Mr. Klein is also entitled to: (a) receive bonuses from time to time as the Company, in its sole discretion, deems appropriate; (b) receive paid vacation time in accordance with policies established by the Board; (c) participate in any of the Company's employee benefit plans (provided that the Company may not change any of its employee benefits in any way that would adversely affect Mr. Klein, unless the change would apply to all of the Company's executive officers and would not affect Mr. Klein disproportionately); (d) receive prompt reimbursement for all reasonable business expenses he incurs in accordance with the policies and procedures established by the Board; (e) use of a vehicle provided by the Company; and (f) receive any liability insurance coverage covering directors and officers of the Company.

Termination for "Cause" or Without "Good Reason". If Mr. Klein's employment is terminated by the Board for "Cause" (as defined in the Employment Agreement) or by Mr. Klein without "Good Reason" (as defined in the Employment Agreement), the Employment Agreement (and all of Mr. Klein's rights under the Employment Agreement) will terminate automatically. If Mr. Klein's employment is terminated other than for Cause and the Company subsequently learns that Mr. Klein actively concealed conduct that would have entitled the Company to terminate his employment for Cause, the Company may recover any amounts paid to Mr. Klein (or his beneficiaries) under the Employment Agreement in connection with the termination of his employment.

Termination by the Company without “Cause” or by Mr. Klein for “Good Reason”. If Mr. Klein’s employment is terminated by the Company without Cause or by Mr. Klein with “Good Reason” (and such termination does not occur in connection with a “Change in Control” as defined below), the Company will: (a) pay all accrued obligations and continue to pay Mr. Klein his base salary in effect on the date of his termination of employment for two years following the date of his termination; and (b) provide Mr. Klein and his family (if he elected family coverage prior to the termination of his employment) with continued group health, dental and vision insurance coverage without cost to the executive for a period of one year.

If a termination of Mr. Klein’s employment under the circumstances described above had occurred on December 31, 2015, Mr. Klein would have been entitled to continue to receive his annual base salary of \$285,984 for two years following the date of termination. It would begin to be paid to Mr. Klein within 60 days following the date of termination and would be payable in accordance with the Company’s normal payroll practices. In addition, Mr. Klein (and his family) would have been entitled to receive continued group health, dental and vision insurance coverage for a period of one year following termination, at an annual cost to the Company of approximately \$5,450.

If Mr. Klein dies or becomes permanently disabled during his employment, the Employment Agreement will terminate and the Company will have no further obligations to Mr. Klein under the Employment Agreement. However, any compensation that becomes payable to Mr. Klein under the Employment Agreement prior to his death or permanent disability will continue to be paid to Mr. Klein or his designated beneficiary or estate, as appropriate.

In the event of a Change of Control of the Company, the respective rights and obligations will be pursuant to the terms of Mr. Klein’s separate Change of Control agreement. If Mr. Klein becomes entitled to receive payments or benefits under the separate Change of Control agreement, then Mr. Klein would not be entitled to receive payments under the Employment Agreement for termination without Cause or for Good Reason.

If Mr. Klein receives compensation under his Employment Agreement in connection with the termination of his employment, he will be prohibited from engaging in certain activities in competition with the Company for one year following the termination of his employment. The Employment Agreement also imposes customary confidentiality obligations on Mr. Klein.

DIRECTOR COMPENSATION

The Company uses a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on the Board. In setting director compensation, the Company considers the significant amount of time that directors expend in fulfilling their duties to the Company as well as the skill level required by the Company of members of the Board.

Cash Compensation Paid to Board Members

Each director of the Company who is not an employee of the Company or one of its subsidiaries (a “non-employee director”) received an annual cash retainer in the amount of \$9,000, which is paid in twelve monthly installments of \$750 each. The Lead Independent Director of the Board (currently Richard L. Hardgrove) receives an additional annual cash retainer of \$15,000, which is paid in twelve monthly installments of \$1,250 each. Each non-employee director also receives an annual cash retainer of \$1,000 for each committee of the Board on which he or she serves, except that the member of the Audit Committee designated as the “audit committee financial expert” (currently Gaylyn J. Finn) receives an annual cash retainer of \$6,000. Each non-employee director also receives an additional \$300 for each Board meeting attended and \$300 for each meeting of a committee of the Board attended. Certain non-employee directors of the Company also serve on the board of directors of one or more of the Company’s subsidiaries, and receive an annual cash retainer for such service as well as fees for attendance at meetings of the board of directors of the appropriate Company subsidiary (and committees of that board).

Director Compensation for 2015 Fiscal Year

The table below summarizes the compensation awarded or paid to, or earned by, each of the non-employee directors of the Company during the 2015 fiscal year. No director who is also an employee of the Company or one of its subsidiaries receives compensation for his service as a director or as a committee member of the Company or any of its subsidiaries. No equity grants were made in 2015.

PROPOSAL NO. 2

**RATIFICATION OF THE APPOINTMENT OF THE
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The appointment of the Company's independent registered public accounting firm is made annually by the Audit Committee. The Audit Committee has appointed BKD, LLP ("BKD") to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016. The Audit Committee and the Board have decided to submit the appointment of BKD to the shareholders for ratification as a matter of good corporate governance and because of the important role of the Company's independent registered public accounting firm in reviewing the quality and integrity of the Company's financial statements.

BKD has served as the Company's independent auditor/independent registered public accounting firm since November 2002, and BKD audited the Company's consolidated financial statements as of and for the fiscal year ended December 31, 2015. The Company expects that representatives of BKD will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The affirmative vote of a majority of the Common Shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal, is required to ratify the appointment of BKD as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016. The effect of an abstention is the same as a vote "AGAINST". Even if the appointment of BKD is ratified by the shareholders, the Audit Committee, in its discretion, could decide to terminate the engagement of BKD and to engage another firm if the Audit Committee determines such action is necessary or desirable. If the appointment of BKD is not ratified by the shareholders, the Audit Committee will reconsider the appointment (but may nonetheless, in its discretion, decide to maintain the appointment).

**THE AUDIT COMMITTEE AND YOUR BOARD RECOMMEND THAT
SHAREHOLDERS VOTE FOR
THE RATIFICATION OF THE APPOINTMENT OF BKD, LLP**

PROPOSAL NO. 3

NON-BINDING ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and corresponding SEC rules enable shareholders to vote to approve, on an advisory and non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. As a result, the following resolution will be submitted for shareholder approval at the Annual Meeting:

“RESOLVED, that the shareholders of SB Financial Group, Inc. hereby approve, on an advisory basis, the compensation of the corporation’s named executive officers as disclosed in the corporation’s Proxy Statement for its 2016 Annual Meeting of Shareholders pursuant to Item 402 of SEC Regulation S-K, including the compensation tables, notes and narrative disclosures contained under the heading “COMPENSATION OF EXECUTIVE OFFICERS” in the corporation’s Proxy Statement.

The Board believes that the Company’s compensation policies and procedures, which are reviewed and approved by the Compensation Committee, are effective in aligning the compensation of our named executive officers with the Company’s short-term and long-term goals and that such compensation and incentives are designed to attract, retain and motivate our key executives who are directly responsible for the Company’s continued success. The Board of Directors believes that the Company’s compensation policies and practices do not threaten the value of the Company or the investments of our shareholders or create incentives to engage in behaviors or business activities that are reasonably likely to have a material adverse impact on the Company. The Board further believes that our culture focuses on sound risk management and appropriately rewards executives for performance. The Board further believes that the Company’s compensation policies and procedures are reasonable in comparison both to the Company’s peer bank holding companies and to the Company’s performance during the 2015 fiscal year.

Shareholders are encouraged to carefully review the information provided in this proxy statement regarding the compensation of the Company’s named executive officers in the section captioned “**COMPENSATION OF EXECUTIVE OFFICERS**” beginning on page 10 of this proxy statement.

Because your vote is advisory, the outcome of the vote will not: (i) be binding upon the Board or the Compensation Committee with respect to future executive compensation decisions, including those relating to our named executive officers, or otherwise; (ii) overrule any decision made by the Board or the Compensation Committee; or (iii) create or imply any additional fiduciary duty by the Board or the Compensation Committee. However, the Board and the Compensation Committee expect to take into account the outcome of the advisory vote when considering future executive compensation arrangements.

The affirmative vote of a majority of the Common Shares represented at the Annual Meeting, via on-line or by proxy, and entitled to vote on the proposal is required to approve the non-binding advisory resolution to approve the compensation paid to the Company’s named executive officers as disclosed in this proxy statement. The effect of an abstention is the same as a vote “AGAINST” the proposal. Broker non-votes will not be counted in determining whether the proposal has been approved.

<p>YOUR BOARD RECOMMENDS THAT SHAREHOLDERS VOTE <u>FOR</u> THE NON-BINDING ADVISORY RESOLUTION TO APPROVE THE NAMED EXECUTIVE OFFICERS COMPENSATION</p>

The actual compensation paid to the independent registered public accounting firm for all such pre-approved services and fees is reported to the Audit Committee on at least a quarterly basis.
