The Company is furnishing proxy materials for the Annual Meeting over the Internet to certain shareholders of the Company, who will receive a Notice of Internet Availability of Proxy Materials instead of paper copies of the Notice of Annual Meeting of Shareholders, this proxy statement, the form of proxy card and the Company's Annual Report to Shareholders for the fiscal year ended December 31, 2021 (the "2021 fiscal year"), which includes the audited consolidated financial statements of the Company for the 2021 fiscal year (the "Annual Report"). The Notice of Internet Availability of Proxy Materials contains instructions on how to access the Company's proxy materials over the Internet and how shareholders can receive a paper copy of the proxy materials. **Shareholders who receive a Notice of Internet Availability of Proxy Materials are reminded that the Notice is not itself a proxy card.**

On or about March 7, 2022, the Company will mail to all holders of record of common shares of the Company ("Common Shares") as of February 22, 2022 (the "Record Date") either (1) a copy of the Notice of Annual Meeting of Shareholders, this proxy statement, the form of proxy card and the Annual Report, or (2) a Notice of Internet Availability of Proxy Materials, which will indicate how to access the Company's proxy materials on the Internet.

Only holders of record of the 7,211,549 Common Shares of the Company eligible to vote as of the Record Date are entitled to receive notice of and to vote at the Annual Meeting. Each such holder is entitled to one vote for each Common Share held as of the Record Date with respect to all matters acted upon at the Annual Meeting. The shares represented by all properly executed proxies submitted to the Company will be voted as designated. Each person giving a proxy may revoke it at any time before it is voted at the Annual Meeting by giving written notice of revocation to the Secretary of the Company at the address listed above, or by giving notice of revocation at the meeting. The last-dated proxy you submit by any means will supersede any previously submitted proxy. If your Common Shares are held in "street name" and you have instructed your broker, financial institution or other nominee to vote your Common Shares, you must follow directions received from your broker, financial institution or other nominee to change your vote. No appraisal or dissenters' rights exist for any action proposed to be taken at the Annual Meeting.

Annually, the Company provides each registered shareholder at a shared address, not previously notified, with a separate notice of the Company's intention to "household" proxy materials. Only one copy of the Notice of Annual Meeting of Shareholders and this proxy statement, or Notice of Internet Availability of Proxy Materials, as applicable, is being delivered to previously notified multiple registered shareholders who share an address unless the Company has received contrary instructions from one or more of the shareholders. Registered shareholders who share an address and would like to receive a separate copy of the Annual Report, this proxy statement and/or Notice of Internet Availability of Proxy Materials delivered to them, or have questions regarding the householding process, may contact Investor Relations by calling 419-783-8920 or 419-785-3663, or by forwarding a written request addressed to SB

VOTING INFORMATION

Whether or not you plan to participate in the Annual Meeting, you may ensure your representation by voting your Common Shares by one of the following methods:

- by submitting a traditional paper proxy card prior to the Annual Meeting;
- by submitting a proxy via the Internet or by Telephone prior to the Annual Meeting; or
- by participating in the Annual Meeting online and voting electronically during the meeting.

Submitting a Proxy via the Internet or by Telephone. You may submit a proxy via the Internet or by telephone by following the instructions set forth on the form of proxy card or the Notice of Internet Availability of Proxy Materials. If your Common Shares are registered in the name of a broker, financial institution or other nominee (*i.e.*, you hold your Common Shares in "street name"), your nominee may allow you to submit a proxy via the Internet or by telephone. In that case, the voting form your nominee sent you will provide instructions for submitting your proxy via the Internet or by telephone. For shareholders whose Common Shares are registered in the name of a broker, financial institution or other nominee, please consult the instructions provided by your nominee for information about the deadline for submitting a proxy via the Internet or by telephone.

Voting Electronically during the Annual Meeting. If you participate in the live webcast of the Annual Meeting, you will have the opportunity to vote your Common Shares electronically during the Annual Meeting webcast. Shareholders can participate in the Annual Meeting via live webcast and vote electronically over the Internet at www.virtualshareholdermeeting.com/SBFG2022.

In accordance with company policy, proxy cards, ballots and voting instructions that identify individual shareholders will be kept confidential. Exceptions to this policy, however, may be necessary in limited instances to comply with applicable legal requirements and, in the event of a contested proxy solicitation, to verify the validity of proxies presented by any person and the results of the voting.

Quorum Requirement for the Annual Meeting

Under the Company's Amended and Restated Regulations (the "Regulations"), the holders of a majority of the Common Shares outstanding and entitled to vote at the Annual Meeting, represented in person or proxy, will constitute a quorum for the Annual Meeting. Holders of Common Shares may be present in person, including via participation in the online webcast, or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes will be counted as being present for purposes of determining the presence of a quorum.

In general, broker non-votes occur when Common Shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker lacks discretionary authority to vote such Common Shares on the proposal(s). Brokers have discretionary authority to vote their customers' Common Shares on "routine" proposals, even if they do not receive voting instructions from their customers. Brokers cannot, however, vote their customers' Common Shares on "non-routine" matters without instructions from their customers. Pursuant to applicable stock exchange rules, the ratification of the appointment of the Company's independent registered public accounting firm (Proposal No. 2) is the only routine matter. The election of directors and Proposal No. 3 are considered non-routine matters and, therefore, your broker may vote on these matters only if you provide voting instructions.

Cost of Proxy Solicitation

The Company will bear the costs of preparing, printing and delivering this proxy statement, the form of proxy card and any other related materials, as well as all other costs incurred in connection with the solicitation of proxies on behalf of the Board (other than the Internet access or telephone usage charges incurred if a shareholder appoints a proxy electronically or by telephone). Proxies will be solicited by U.S. mail and electronic mail and may be further solicited, for no additional compensation, by officers, directors or employees of the Company and its subsidiaries by further mailing and/or electronic mail, by telephone or by personal contact. The Company will also pay the standard charges and expenses of brokers, voting trustees, financial institutions and other custodians, nominees and fiduciaries who are record holders of Common Shares not beneficially owned by them, for forwarding materials to and obtaining proxies from the beneficial owners of Common Shares entitled to vote at the Annual Meeting.

Your Vote Is Important. Your prompt cooperation in voting your Common Shares is greatly appreciated.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

In accordance with the Regulations of the Company, three directors will be elected at the Annual Meeting for terms of three years. The Board proposes that each of the three director nominees identified below be re-elected for a new term of three years expiring in 2025. Each of these nominees was approved by the Board upon the recommendation of the Governance and Nominating Committee.

Each individual elected as a director at the Annual Meeting will hold office for a term of three years and until his or her successor is elected and qualified, or until his or her earlier resignation, removal from office or death. Pursuant to the procedures set forth under the Regulations and Ohio law, the three nominees who receive the greatest number of votes will be elected as directors of the Company. Shareholders may withhold authority to vote for the entire slate as nominated or may withhold the authority to vote for one or more nominees. Common Shares as to which the authority to vote is withheld will be counted for quorum purposes, but will not be counted toward the election of the individual nominees for whom the authority to vote has been withheld. If a nominee becomes unavailable or unable to serve as a director for any reason prior to the Annual Meeting, the individuals designated as proxy holders reserve full discretion to vote the Common Shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee designated by the Board. The Board has no reason to believe that any of the nominees named below will not serve if elected.

The Board of Directors proposes the election of the following persons, all of whom were recommended by the Governance and Nominating Committee, to three-year terms that will expire in 2025:

CORPORATE GOVERNANCE

Director Independence

The Board has reviewed, considered and discussed each director’s relationships, both direct and indirect, with the Company and its subsidiaries, including those described under the heading “**TRANSACTIONS WITH RELATED PERSONS**” beginning on page 28 of this proxy statement. As part of its review, the Board has considered and discussed the compensation and other payments, if any, each director has, both directly and indirectly, received from or made to the Company and its subsidiaries in order to determine whether such director qualifies as independent based on the definition of an “independent director” set forth in Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market (“NASDAQ”).

The Board has affirmatively determined that the Board has at least a majority of independent directors, and that each of the following individuals who currently serve as directors, or who served as a director of the Company during the

2021 fiscal year, has and had no financial or personal relationships, either directly or indirectly, with the Company or its subsidiaries (other than compensation as a director of the Company and its subsidiaries, banking relationships in the ordinary course of business with the Company's banking subsidiaries and ownership of the Company's Common Shares as described in this proxy statement) and thus qualifies as an "independent director" under NASDAQ Marketplace Rule 5605(a)(2): George W. Carter, Timothy L. Claxton, Robert A. Fawcett, Jr., Gaylyn J. Finn, Richard L. Hardgrove, Tom R. Helberg, Rita A. Kissner, William G. Martin and Timothy J. Stolly. The Board has determined that Mark A. Klein does not qualify as an independent director because he currently serves as an executive officer of the Company and certain of its subsidiaries.

Director Qualifications and Review of Director Nominees

To fulfill its responsibility to recruit and recommend to the full Board nominees for election as Directors, the Governance and Nominating Committee reviews the composition of the Board to determine the qualifications and areas of expertise needed to further enhance the composition of the Board, and works to identify and attract candidates with those qualifications. The Governance and Nominating Committee has adopted a written policy regarding qualifications of directors. Pursuant to this policy, individuals who are nominated for election to the Board must possess certain minimum personal and professional qualities, including, without limitation, personal integrity and ethical character; demonstrated achievement in business, professional, governmental, communal, scientific or educational fields; sound judgment borne of management or policy-making experience; and a general appreciation regarding major issues facing public companies of a size and operational scope similar to the Company. The policy also requires the Governance and Nominating Committee to consider the contributions that a candidate can be expected to make to the collective functioning of the Board based upon the totality of the candidate's credentials, experience and expertise, the composition of the Board at the time, and other relevant circumstances.

The Governance and Nominating Committee considers candidates for the Board from any reasonable source, including shareholder recommendations. The Governance and Nominating Committee does not evaluate candidates differently based on who has made the recommendation or the source of the recommendation. The Governance and Nominating Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used to date and, accordingly, no fees have been paid to consultants or search firms.

The Company does not have a written policy that requires the consideration of diversity in identifying nominees for election to the Board. However, the Governance and Nominating Committee's policy regarding qualifications of directors provides that the Company will seek to promote through the nominations process appropriate diversity on the Board of professional background, experience, expertise, perspective, age, gender, ethnicity and country of citizenship.

The Board believes that each nominee and current Board member brings a strong and unique background and set of skills to the Board, giving the Board as a whole competence and experience in a wide variety of areas, including corporate governance and board service, executive management, banking, insurance, accounting and finance, legal, real estate, marketing and government.

Board Leadership Structure and Role in Risk Oversight

In April of 2015, the Board of Directors elected to combine the roles of Chief Executive Officer and Chairman and appointed Mark A. Klein as Chairman of the Board. This decision was based upon a variety of factors, including the composition of the Board, which is comprised of all independent directors other than Mr. Klein, and Mr. Klein's demonstrated leadership qualities and extensive knowledge and experience with respect to the banking industry in general and the Company's operations in particular. Based on the foregoing, the Board of Directors determined that Mr. Klein was in the best position to fill the strategic role of Chairman of the Board, and the Board of Directors continues to believe this to be the case.

To also provide independent leadership for the Board, the Board appointed Richard L. Hardgrove to serve as Lead Independent Director upon Mr. Klein's appointment as Chairman in April of 2015. The Lead Independent Director's duties include acting as a liaison between the Board and management, approving the agenda for each Board meeting, leading the annual evaluation of the Chairman and CEO and acting as the Chairman for executive sessions of the Board. Because the Board is comprised of other strong independent directors and conducts regular executive sessions, which are led by the Lead Independent Director, the Board believes that its current leadership structure is appropriate.

The Board of Directors is responsible for consideration and oversight of risks facing the Company and is responsible for ensuring that material risks are identified and managed appropriately. Several oversight functions are delegated to committees of the Board with such committees regularly reporting to the full Board the results of their respective oversight activities. For example, the Audit Committee meets periodically with management in order to review the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. As part of this process, the Audit Committee reviews management's risk-assessment process and reports its findings

to the full Board. Also, the Compensation Committee periodically reviews the most important enterprise risks to ensure that compensation programs do not encourage excessive risk-taking. Additional review or reporting on enterprise risks is conducted as needed or as requested by the Board or Board committees.

Nominations of Directors

Shareholders may recommend director candidates for consideration to the Governance and Nominating Committee by writing to Richard L. Hardgrove, Lead Independent Director of the Company, or Mark A. Klein, Chairman, President and Chief Executive Officer of the Company. To be considered, recommendations must be received at the Company's principal office located at 401 Clinton Street, Defiance, Ohio 43512, no later than June 30th of the year preceding the Annual Meeting and must state the qualifications of the proposed candidate.

Shareholders may also nominate an individual for election as a director of the Company by following the procedures set forth in the Regulations. Pursuant to the Regulations, all shareholder nominations must be made in writing and delivered or mailed (by first class mail, postage prepaid) to Keeta J. Board Diversity

On August 6, 2021, the SEC approved amendments to the Listing Rules of NASDAQ related to board diversity. New Listing Rule 5605(f) (the "Diverse Board Representation Rule") requires each NASDAQ-listed company, subject to certain exceptions, (1) to have at least one director who self-identifies as female, and (2) to have at least one director who self-identifies as Black or African American, Hispanic or Latinx, Asian, Native American or Alaska Native, Native Hawaiian or Pacific Islander, two or more races or ethnicities, or as LGBTQ+, or (3) to explain why the company does not have at least two directors on its board who self-identify in the categories listed above. In addition, new Listing Rule 5606 (the "Board Diversity Disclosure Rule") requires each NASDAQ-listed company, subject to certain exceptions, to provide statistical information about the company's board of directors, in a uniform format, related to each director's self-identified gender, race, and self-identification as LGBTQ+. We are not required to fully comply with the Diverse Board Representation Rule until 2025. However, in the matrix below, we have provided the statistical information required by the Board Diversity Disclosure Rule.

MEETINGS AND COMMITTEES OF THE BOARD

Each member of the Board is expected to devote sufficient time, energy and attention to ensure diligent performance of his or her duties and to attend all Board, committee and shareholder meetings. The Board met 18 times during 2021, of which 12 were regularly scheduled meetings. Each director attended 75% or more of the aggregate of the number of meetings held by the Board and the number of meetings held by the Board committees on which he or she served during 2021. The Board has four standing committees: Audit & Risk Management, Compensation, Governance and Nominating, and Loan Review. In accordance with the NASDAQ Marketplace Rules, the independent directors meet in executive session as appropriate matters for their consideration arise. The Company encourages all incumbent directors and director nominees to attend each Annual Meeting. All of the incumbent directors and director nominees attended the Company's last Annual Meeting held on April 21, 2021.

The Board's standing committees of independent directors facilitate and assist the Board in the execution of its responsibilities. Each of these committees operates under a written charter, which is available on the Company's website at www.YourSBFinancial.com by first clicking "Investors", then "Corporate Overview", and then "Governance Documents."

The function of the Loan Review Committee is to assist the Board in fulfilling its oversight responsibilities of credit quality at State Bank. The Loan Review Committee is comprised of independent directors who are not involved in the loan approval process at State Bank, except when full Board approval is required due to the nature or size of a particular credit being presented.

COMPENSATION OF EXECUTIVE OFFICERS

Summary

The following discusses our executive compensation program for our executive officers, including the NEOs listed below and describes the process followed by the Compensation Committee for making pay decisions, as well as its rationale for specific compensation related decisions with respect to the compensation of our NEOs and other executive officers in 2021.

The Company has no direct employees. All officers and other employees performing services for the Company are employees of The State Bank and Trust Company (“State Bank” or the “Bank”). The Compensation Committee is a committee of the Board of Directors, composed solely of independent directors, and is responsible for developing the Bank’s executive compensation principles, policies and programs and approving the compensation to be paid to the Chief Executive Officer, Chief Financial Officer and each of the other executive officers of the Company and the Bank. The Compensation Committee consults with Mark A. Klein, Chairman, President and Chief Executive Officer, concerning executive officer compensation, however, he does not participate in the deliberations regarding his compensation as Chairman, President and Chief Executive Officer.

Below, we summarize the Company’s compensation components and objectives.

Component	Objective
Base salary	Attract and retain individuals who are capable of adding value to the Company
Short-term incentives (<i>cash</i>)	Motivate individuals to achieve predefined goals and objectives that are highly correlated with the success of the Company
Long-term incentives (<i>equity</i>)	Reward long-term performance that seeks to align the interests of the executive(s) with those of our stockholders
Supplemental benefits (<i>e.g. SERP, supplemental disability, deferred compensation</i>)	Provide market-driven benefits that seek to retain high-quality executives in a competitive environment

The total compensation package for executive officers of the Company and the Bank includes: base salary, short-term incentives (cash), long-term incentives (equity) and supplemental benefits such as Supplemental Executive Retirement Plan (“SERP”) and supplemental disability benefits. The long-term incentive opportunities may consist of equity incentives under the Company’s 2017 equity incentive plan. Executive officers also receive other employee benefits, such as health and life insurance, that are generally available to all employees. Generally, the executive officers of the Bank, with the exception of The Chairman, President and CEO, are employed “at will” without severance agreements or employment contracts. The Company believes that its compensation levels and structure, as well as the Company’s culture and intangibles, alleviate the need for the Company to utilize employment agreements with executive officers other than its President and CEO. However, the Company has entered into Change of Control Agreements with other executive officers that provide them with protection in the form of severance payments in the case of a termination of employment in connection with a change of control of the Company. For additional information, see “**AGREEMENTS WITH EXECUTIVE OFFICERS - CHANGE IN CONTROL AGREEMENTS**” beginning on page 20 of this proxy statement.

Since 2013, the Company has held a “say-on-pay” advisory shareholder vote on the compensation of the Company’s NEOs at the Annual Meeting each year. These “say-on-pay” proposals have been approved by a significant majority of the Common Shares voted at each of the last eight Annual Meetings. At the 2021 Annual Meeting, 92.45% of the Common Shares voted on the “say-on-pay” proposal (including abstentions but excluding broker non-votes) voting in favor of the non-binding advisory vote on executive compensation.

While the advisory vote was only one of several factors that influenced the Company’s executive compensation decisions and policies for 2021, the Compensation Committee viewed the results of this advisory vote as a continued indication that shareholders are generally supportive of the Company’s compensation philosophy and policies. Based

on the results of the 2021 “say-on-pay” vote, no specific component of the executive compensation program was altered from fiscal year 2020. The Compensation Committee and the Company’s Board of Directors believe that the Company’s executive compensation has been appropriately tailored to its business strategies, aligns pay with performance, and reflects best practices regarding executive compensation. The Compensation Committee will continue to consider shareholder sentiments about the Company’s core principles and objectives when determining executive compensation going forward.

Compensation Philosophy

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific, long-term and strategic goals set by the Company, and which aligns executives’ interests with those of the shareholders by rewarding for performance above these established goals, with the ultimate objective of improving shareholder value.

In general, for short and long-term incentive plans, the Company targets the 50th percentile (median) of its peer group when performance expectations are met, and targets the upper quartile (75th percentile) when performance expectations are exceeded.

The Compensation Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain quality employees in key positions. The Compensation Committee attempts to ensure that the compensation provided to key employees of the Company and its subsidiaries, including the NEOs, remains competitive relative to the compensation paid to similarly situated employees at comparable companies. The Compensation Committee further believes that such compensation should include both cash and equity-based compensation that rewards performance as measured against pre-established goals.

Engagement of Independent Compensation Consultant

The Compensation Committee has the sole authority to engage the services of any compensation consultant or advisor. It is the policy of the Compensation Committee to conduct a periodic, independent review of the Company’s compensation programs to verify the reasonableness of its compensation programs for executives, directors and key officers as compared to peer groups and all applicable federal and state laws, rules and regulations. The independent reviews are conducted by a firm or individual who does not provide other services or products to the Company. In addition, the independent firm must not have any other personal or business relationships with any Board member or any officer of the Company. The Compensation Committee considers all relevant factors, including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Exchange Act, in determining that the work performed by its compensation consultants does not raise a conflict of interest.

Since 2011, the Compensation Committee has periodically engaged the services of Blanchard Consulting Group (“BCG”), a nationally recognized independent financial institution compensation consulting company. BCG was last engaged to evaluate board compensation in 2018, and executive compensation in 2020. The 2020 study focused on all aspects of executive total compensation, including base salaries, cash incentives/bonuses, equity incentives and grants, other compensation and perquisites, and executive benefits and retirement programs. The information and analyses provided by BCG in 2020 was used by the Compensation Committee in making its executive compensation decisions for the 2021 fiscal year. The Company plans to engage BCG again in 2022 to conduct updated executive and board compensation studies. It is the Company’s intent to conduct these studies on a biennial basis.

As part of the 2020 executive total compensation review, BCG utilized a peer group of twenty (20) publicly traded bank holding companies. The peer group was developed jointly by BCG and the Company. The Company’s peer group was comprised of public bank holding companies with similar attributes to the Company, such as: asset size, revenue, geography, and a similar business model. The BCG study on executive compensation contained peer group information on total compensation, but also included additional banking industry survey data and banking industry trend information. The industry survey and trend information was derived from BCG databases and surveys that focus almost exclusively on the banking marketplace. The results and findings from the executive study was used to assist the Compensation Committee with its compensation decisions in 2021.

Peer Group Banks

The peer group bank holding companies utilized in the 2020 executive total compensation review included the banks listed below. The Company’s peer group will be assessed and potentially modified, as appropriate, for the 2022 BCG compensation studies.

In its review of executive compensation, the Compensation Committee reviewed the following data provided by BCG:

- Total cash compensation = Base salary + Annual cash incentives / bonus;
- Direct compensation = Total cash compensation + Three-year average equity awards (equity granted in years 2016-2019 by the 20 peer bank holding companies); and
- Total compensation = Direct compensation + Other compensation + Retirement Benefits / Perquisites

The Committee's evaluation of the peer group comparison and BCG's assessment of our compensation practices and levels concluded:

- The Company's financial performance was competitive versus peers, with performance ranging from the median to top quartile. Although the Company's asset size and market capitalization were on the low end of the peer group range, the Company's financial performance metrics such as ROAA, net interest margin, NPAs/assets, tangible equity ratio, and three-year total shareholder return were very strong and fell at or above peer median.;
- The Company has adequate and appropriate compensation tools available to attract, motivate and retain high-quality, skilled executives and to provide a mix of short and long-term compensation opportunities;
- Total cash compensation" of the Company's executive officers was considered generally competitive compared to peers when the Compensation Committee factored in the individual officers, their performance, and the Company's performance;
- For "Direct compensation," the Company was generally near median levels of the peer group; and
- "Total compensation" remains competitive to peer and supports that the Company has competitive executive benefits.

Individual Executive Position Responsibilities & Expectations

The Compensation Committee establishes subjective performance objectives for each executive officer on an annual basis. The performance objectives are tailored to the particular executive officer's area of responsibility within the Company and the Bank. Whether these performance objectives are achieved is one of the factors considered by the Compensation Committee when establishing annual base salaries for the following fiscal year. Annual increases are at the discretion exclusively of the Compensation Committee. For fiscal year 2021, the Company's executive officers were evaluated on the performance criteria set forth below:

Mark A. Klein – Act as Chairman, President and Chief Executive Officer of the Company and the Bank, providing leadership and motivation to achieve Board approved goals and objectives. Be a spokesperson for the Company to shareholders, customers, employees, and the media. Participate as a member of the Bank’s executive management team to develop direction and goals and to assist in communicating and supporting management’s priorities.

2021 Executive Compensation Components

Annual Base Salaries

The determination of the base salaries of the executive officers of the Company is based upon an overall evaluation of a number of factors, including a subjective evaluation of individual performance, contributions to the Company and its subsidiaries, and analysis of how the Company’s and its subsidiaries’ compensation of its executive officers compares to compensation of individuals holding comparable positions with companies of similar asset size and complexity of operations.

During its review of each executive’s base salary, the Compensation Committee primarily considers:

- market data provided by independent outside consultants, such as BCG (peer group and banking industry survey data);
- tenure, experience, executive role and specific job duties being performed;
- internal review of the executive’s compensation, both individually and relative to other officers; and
- the individual performance of the executive.

Due to uncertainty with the pandemic, twenty officers of the Company, including all of the NEOs, agreed not to receive a base salary increase for 2020. However, all Company staff with base compensation of less than \$100,000 annually did receive base salary increases, which ranged from one to nine percent, for 2020.

The following table sets forth the amounts of the base salaries paid to our NEOs during the 2021 and 2020 fiscal years.

NEO Name	2021 Base Salary	2020 Base Salary	% of Increase
Mark A. Klein	\$428,088	\$396,378	8.00%
Anthony V. Cosentino	\$228,678	\$219,356	4.25%
David A. Homoelle	\$203,236	\$195,419	4.00%

Non-Equity Incentive Compensation

The Incentive Compensation Plan is a company-wide performance-based incentive compensation program which is intended to link incentive compensation directly to the Company’s and individual’s performance and, thereby, to shareholder value. The following were some of the 2021 organization-wide objectives supported by the plan:

- build a high-performance financial company;
- grow the business;
- ensure sound operations, policies and procedures; and
- build on the value proposition strength within each business unit.

The following table sets forth the range of potential payouts under the 2021 Incentive Compensation Plan for the NEOs. When determining the incentive plan opportunity levels, the Compensation Committee evaluated competitive market data along with the experience level, duties, and responsibilities expected of each NEO position. The overall 2021 non-equity incentive plan earning opportunities as a percent of salary are unchanged from 2020. The Company determined that they remained competitive and appropriate for 2021. The Plan has a minimum after tax net income (\$6.0 million in 2021) “circuit breaker” [below which no incentive payouts will be made] and requires employees to be employed in “good standing” in order to receive a payout.

Non-Equity Incentive Compensation Plan Opportunity Levels for 2021 Fiscal Year and Actual Payouts Made

Executive Officer	Payouts Under Non-Equity Incentive Plan (as a % of Base Salary)			2021 Actual Payouts (as a % of salary)

Anthony V. Cosentino	12.5%	25.0%	50.0%	32.50%
David A. Homoele	12.5%	25.0%	50.0%	38.32%

The 2021 non-equity incentive plan goals and weightings remained unchanged from 2020. The performance criteria are reviewed annually, and the Company believes they remain the most appropriate measures of annual performance based on the Company’s strategic goals.

Equity-Based Awards

The Company believes that it is also important to provide equity compensation, which serves as an incentive for long-term corporate financial performance. The Company's equity incentive plans are intended to encourage participants to acquire and retain a financial interest in the Company, to remain in the service of the Company and to put forth maximum efforts for the success of the Company. Equity based awards enable the Company and its subsidiaries to compete effectively for the services of potential employees and directors by furnishing an additional incentive to join and/or remain with the Company and its subsidiaries.

Our equity incentive plans authorize grants of incentive stock options, nonqualified stock options, stock appreciation rights, restricted common shares, and restricted stock units. The Plans prohibit back-dating or re-pricing of stock options and the minimum vesting period for restricted stock is six months. In recent years, the Company has granted equity in the form of restricted common shares ("Restricted Shares") with a four-year ratable vesting schedule (25% per year, beginning one year from date of grant). The Compensation Committee determined that the use of Restricted Shares or full-value equity grants is very prevalent within the banking industry based on our independent compensation consulting studies and regulatory best practices and, as such, determined that it was appropriate from a market competitive standpoint to continue to incent executives with this type of equity award in 2021. As a result, pursuant to the SB Financial Long-Term Compensation Plan, on February 5, 2022, the Company granted Restricted Shares to its executive officers, including the NEOs and other management as determined by the Company's Return on Average Assets (ROAA) performance for the 2021 fiscal year. The Plan's performance objectives are determined by using the Company's performance history, peer data, market data, and management's judgment of what reasonable levels can be reached based on previous experience.

The table below sets forth the 2021 grant levels for the NEOs based on 2021 ROAA performance. For the 2021 fiscal year, the Company's equity-based incentive ROAA was 31 basis points above the maximum level, therefore, awards were made at the maximum level of performance. The grant date fair value of the Restricted Shares shown in the table below will be reflected in our 2023 proxy statement.

Clawback Policy

The Company's incentive compensation policy specifies that any and all cash bonus payments, retention awards, and/or equity incentive compensation which may be paid to executive officers are subject to recovery or "clawback" by the Company if such payments were based on financial statements or other performance metric criteria which are later

found to be materially inaccurate. We feel this clawback policy is appropriate and assists with risk mitigation throughout our Company.

Stock Ownership/Holding Requirements

The Company has established stock ownership guidelines for all executive officers and directors. We feel it is important that our executive officers and directors obtain and maintain and/or obtain stock ownership in the Company they are leading. The specific requirements call for at a minimum, 10,000 shares of Common Stock to be owned by each executive officer and director within five years of adoption of the revised stock ownership guidelines on July 19, 2018. Currently, all executive officers and directors are in compliance with the Company's stock ownership guidelines

Anti-Hedging Policy

The Company's Insider Trading Policy prohibits all directors, officers and employees, including the NEOs, from engaging in certain hedging transactions related to securities of the Company held by them, including the purchase of securities on margin, buying or selling puts or calls, and trading securities on a short-term basis.

Employment, Change of Control Benefits and Severance Benefits

Employment Agreement. The Company entered into an Amended and Restated Employment Agreement, dated as of January 22, 2018, with Mark A. Klein, Chairman, President and Chief Executive Officer of the Company and State Bank (the "A&R Employment Agreement") which superseded Mr. Klein's Employment Agreement dated July 15, 2015. Under the terms of the A&R Employment Agreement, Mr. Klein is entitled to receive certain severance or change of control payments and benefits if he is terminated by the Company under certain circumstances. Information regarding the payments and benefits provided under the A&R Employment Agreement is set forth under the heading "**AGREEMENTS WITH EXECUTIVE OFFICERS - EMPLOYMENT AGREEMENT**" beginning on page 19 of this proxy statement.

Change of Control Agreements. The Company has entered into Amended and Restated Change of Control Agreements with certain executive officers, including each of the NEOs (the "A&R Change of Control Agreements"). Under the terms of the A&R Change of Control Agreements, each of the NEOs is entitled to receive certain benefits, including a lump sum cash payment, if the executive officer is terminated by the Company under certain circumstances in connection with a "change of control" of the Company. We feel these agreements are valuable to the Company as they provide additional protection and incentive for our executive officers to work through a potential change in control if the board and leadership determines this is in the best interest of the shareholders. Information regarding the A&R Change of Control Agreements is set forth under the heading "**AGREEMENTS WITH EXECUTIVE OFFICERS - CHANGE OF CONTROL AGREEMENTS**" beginning on page 20 of this proxy statement.

SERP Agreements. The Company has entered into Amended and Restated Supplemental Executive Retirement Plan Agreements with each of the NEOs (the "A&R SERP Agreements"). Under the terms of the A&R SERP Agreements, the executive officers are entitled to receive certain benefits following retirement. We feel these agreements provide a strong retention vehicle for three of our key leaders at the Company. These type of agreements are exclusively used for only a select few of our leaders. Information regarding the payments and benefits provided under the A&R SERP Agreements is set forth under the heading "**AGREEMENTS WITH EXECUTIVE OFFICERS - SERP AGREEMENTS**" beginning on page 21 of this proxy statement.

Other Benefits and Perquisites. The Company also provides its executive officers with a few additional perquisites and other personal benefits, such as 401(k) matching contributions, auto allowances, life insurance benefits, social dues and memberships, that the Company and the Compensation Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain quality employees for key positions.

Agreements with Executive Officers

Employment Agreement

On January 22, 2018, the Company entered into an Amended and Restated Employment Agreement with Mark A. Klein (the "A&R Employment Agreement"). The A&R Employment Agreement supersedes Mr. Klein's Employment Agreement dated July 15, 2015.

Under the A&R Employment Agreement, Mr. Klein continues to be employed as the President and Chief Executive Officer of the Company and as the President of State Bank and will perform duties assigned to him from time to time by the Board. Mr. Klein must devote his full business time and attention to the Company's business, and he may not render services of a business, commercial or professional nature to any person or organization without the prior written consent of the Board (except for limited charitable, community and other activities that do not interfere with the performance of his duties and responsibilities under the A&R Employment Agreement).

The A&R Employment Agreement has a rolling term of 36 months. The initial term of the A&R Employment Agreement commenced on January 22, 2018 and continues for a period of 36 consecutive months thereafter. The term is automatically extended for an additional 12-month period on each 12-month anniversary of the January 22, 2018 effective date unless the Company notifies Mr. Klein in writing to the contrary at least 90 days before the anniversary date.

During the term of the A&R Employment Agreement, Mr. Klein will be paid an annual base salary of \$396,378, subject to annual increases approved by the Board in its sole discretion. Mr. Klein's base salary for 2021 was \$428,088. Mr. Klein is also entitled to: (a) receive incentive bonuses from time to time as the Board, in its sole discretion, deems appropriate; (b) receive or participate in health and life insurance coverages, disability programs, tax-qualified retirement plans, equity compensation programs, paid holidays, paid vacation, and other fringe benefits as the Company may provide from time to time to actively employed and similarly situated employees (subject to the Company's right at any time to discontinue or terminate any employee benefit plan); (c) receive reimbursement for all reasonable business expenses he incurs in accordance with the policies and procedures of the Company; (d) use of a vehicle provided by the Company; and (e) receive liability insurance coverage under any policies covering directors and officers of the Company.

If Mr. Klein's employment is terminated by the Board for "Cause" (as defined in the A&R Employment Agreement) or by Mr. Klein without "Good Reason" (as defined in the A&R Employment Agreement), the A&R Employment Agreement will terminate automatically and Mr. Klein will only be entitled to receive any accrued but unpaid base salary through the date of termination and any unreimbursed business expenses or other payments and benefits to which Mr. Klein is entitled under the employee benefit plans of the Company as of the date of termination (the "Accrued Obligations").

If Mr. Klein's employment is terminated by the Company without Cause or by Mr. Klein with Good Reason (and such termination does not occur in connection with a Change of Control as described below), the Company will: (i) pay to Mr. Klein any Accrued Obligations; (ii) continue to pay Mr. Klein his base salary in effect on the date of his termination of employment for 24 months following the date of his termination; and (iii) pay to Mr. Klein a lump sum cash amount equal to 24 times the monthly COBRA premium for the group health, dental and vision insurance in which Mr. Klein (and his family, if applicable) was enrolled immediately before the termination. The Company's obligations to make the payments under clauses (ii) and (iii) are conditioned upon Mr. Klein's execution of an irrevocable release of any and all claims he may have against the Company and its affiliates and their respective employees and directors.

If Mr. Klein dies or becomes permanently disabled during the term of the A&R Employment Agreement, Mr. Klein will be entitled to a severance benefit equal to the difference between the benefits that would be provided upon a termination without Cause or with Good Reason, as described above, and the benefits otherwise payable in connection with Mr. Klein's death or disability under the Company's fringe benefit programs.

In the event that Mr. Klein's employment is terminated within six months before or 24 months after a Change of Control (as defined in the A&R Employment Agreement), Mr. Klein will not be entitled to any benefit payments under the A&R Employment Agreement. Instead, Mr. Klein's rights and obligations in the event of a Change of Control will be governed by the provisions of his separate Amended and Restated Change of Control Agreement (described below).

If Mr. Klein's employment is terminated other than for Cause and the Company subsequently learns within six months following his termination that Cause to terminate Mr. Klein existed, Mr. Klein will forfeit any right to future benefits under the A&R Employment Agreement (other than any Accrued Obligations) and, at the discretion of the Board or the board of directors of an affiliate of the Company, shall be further required to repay any amounts previously paid to Mr. Klein following his termination of employment. The A&R Employment Agreement also requires Mr. Klein to reimburse the Company or an affiliate of the Company for amounts received under incentive compensation plans, programs or arrangements in the event the Company or an affiliate of the Company is required to prepare an accounting restatement due to material non-compliance by the Company or such affiliate, as a result of misconduct by Mr. Klein, with any financial reporting requirement under any applicable laws.

The A&R Employment Agreement contains non-competition provisions that prohibit Mr. Klein from engaging in business in competition with the Company and from soliciting employees, customers or referral sources of the Company and its affiliates during his employment term and for a period of two years following the termination of his employment (unless Mr. Klein's termination occurs in connection with a Change of Control). The A&R Employment Agreement also imposes customary confidentiality and non-disclosure obligations on Mr. Klein.

Change of Control Agreements

On January 22, 2018, the Company entered into Amended and Restated Change in Control Agreements with each of Mark A. Klein, Anthony V. Cosentino and David A. Homoelle, which superseded their existing Change in Control Agreements dated July 15, 2015, April 21, 2010 and June 30, 2016, respectively.

Each Amended and Restated Change in Control Agreement (each, a "COC Agreement" and collectively, the "COC Agreements"), has a rolling term of 36 months. The initial term of each COC Agreement commenced on effective date of the agreement and continues for a period of 36 consecutive months thereafter. The term will be automatically extended for an additional 12-month period on each 12-month anniversary of the effective date unless the Company notifies the NEO in writing to the contrary at least 90 days before the anniversary date. No notice of non-renewal may be provided by the Company, however, during the period beginning six months before or 24 months after a "Change of Control of the Company (as defined in the COC Agreements), and each COC Agreement will remain in effect throughout such period regardless of whether the COC Agreement would otherwise expire earlier.

Under each COC Agreement, if (1) the NEO is terminated by the Company or its successor within six months before or 24 months after a Change of Control of the Company (but excluding any termination for "Cause" as defined in the COC Agreements) or (2) if the NEO terminates employment for "Good Reason" during such period, the Company or its successor will:

- (a) pay the NEO a lump sum cash payment equal to 2.99 times (Mr. Klein) or 2.0 times (Mr. Cosentino and Mr. Homoelle) the NEO's "Annual Direct Salary" (*i.e.*, the NEO's annualized base salary based on the highest base salary rate in effect for any pay period ending with or within the 36-month period preceding the termination of his employment);
- (b) pay to the NEO a lump sum cash amount equal to 36 times (Mr. Klein), 24 times (Mr. Cosentino) or 18 times (Mr. Homoelle) the sum of (i) the monthly COBRA premium for the group health, dental and vision insurance in which the NEO (and the NEO's family, if applicable) was enrolled immediately

before the termination, and (ii) the monthly premium for the Company's group life and disability insurance coverage for the NEO; and

(c) pay to the NEO any Accrued Obligations.

The Company's obligations to make the payments under clauses (a) and (b) above are conditioned upon the NEO's execution of an irrevocable release of any and all claims he may have against the Company and its successor and affiliates and their respective employees and directors.

Under each COC Agreement, if the NEO's employment is terminated for "Cause" (as defined in the COC Agreements) or if the NEO voluntarily terminates his employment without "Good Reason" (as defined in the COC Agreements), the COC Agreement will terminate immediately and the NEO will not be entitled to any compensation or benefits other than any Accrued Obligations.

Each COC Agreement contains non-competition provisions that prohibit the NEO from engaging in business in competition with the Company and from soliciting employees, customers or referral sources of the Company and its affiliates during his employment term and for a period of two years following the termination of his employment (unless the NEO's termination occurs in connection with a Change of Control). The non-competition obligations for Messrs. Klein and Cosentino lapse upon a change of control of the Company. The COC Agreements also impose customary confidentiality and non-disclosure obligations on each NEO.

SERP Agreements

On January 22, 2018, the Company entered into Amended Supplemental Executive Retirement Plan Agreements (each, an "A&R SERP Agreement" and collectively, the "A&R SERP Agreements") with each of Mark A. Klein and Anthony V. Cosentino which superseded their existing Supplemental Executive Retirement Plan Agreements dated July 20, 2015 and April 21, 2010, respectively. On January 22, 2018, the Company also entered into a Supplemental Executive Retirement Plan Agreement ("SERP") with David A. Homoele.

Under each A&R SERP and SERP Agreement, if the NEO remains in the continuous employment of the Company until the NEO's "Retirement Date" (*i.e.*, age 65, unless shortened or extended by agreement of the Board and the NEO), beginning on the first day of the month following the NEO's termination of employment after the Retirement Date, the NEO will receive an annual benefit in equal monthly installments of 1/12th of the annual benefit for a period of 180 months. The amount of the annual benefit for Mr. Homoele is fixed at \$50,000, and the amount of the annual benefit for each of Mr. Klein and Mr. Cosentino will be equal to 25% (Mr. Klein) or 15% (Mr. Cosentino) of his "Annual Direct Salary." Under each A&R SERP, the "Annual Direct Salary" means the NEO's highest annual base salary rate within the preceding 20 years of service with the Company and/or its affiliates.

If there is a "Change of Control" of the Company (as defined in the A&R SERP and SERP Agreements) and either Mr. Klein or Mr. Cosentino is terminated within 24 months after the date of the Change of Control, he will be entitled to receive an annual retirement benefit equal to 25% (Mr. Klein) or 15% (Mr. Cosentino) of his Annual Direct Salary calculated as of the date of the change of control or the date the NEO's employment is terminated, whichever is higher. In the event that Mr. Homoele is terminated after a Change of Control, he will be entitled to receive an annual retirement benefit equal to \$50,000. The annual retirement benefit will be paid to the NEO in equal monthly installments of 1/12th of the annual benefit for a period of 180 months. At the time that all necessary approvals of the Change of Control have been obtained from the Company's shareholders and from all applicable federal and state bank regulatory authorities, the Company is required to irrevocably deposit with an independent bank trustee cash in an amount sufficient to accrue the retirement benefit payment obligations under the A&R SERP and SERP Agreements.

If either Mr. Klein or Mr. Cosentino voluntarily terminates his employment prior to his Retirement Date, his SERP Agreement will terminate immediately and the Company will pay him an early retirement benefit equal to:

- For Mr. Klein, 25% of his Annual Direct Salary if he terminates employment at age 65; or
- For Mr. Cosentino, 10% of his Annual Direct Salary if he terminates employment between age 60 and 65, or 15% of his Annual Direct Salary if he terminates employment at age 65.

The early retirement benefit described above will be paid in equal monthly installments of 1/12th of the annual benefit for a period of 180 months, at the same time as the full retirement benefit would be payable were the executive to work until the NEO's Retirement Date. Mr. Homoele is not entitled to receive any early retirement benefit under the terms of his SERP Agreement.

If the NEO is terminated by the Company for "Cause" (as defined in the A&R SERP Agreements), the NEO will not be entitled to any benefit under his A&R SERP Agreement.

If the NEO dies before termination of employment, the NEO's beneficiary is entitled to the benefit, if any, payable under the NEO's Split Dollar Agreement (described below) instead of any other benefit payable under his A&R SERP or SERP Agreement. If the NEO dies after termination of employment but before all retirement, early retirement, or disability benefit payments have been made, the Company will continue making such payments to the NEO's beneficiary.

If the NEO terminates because of a "Disability" (as defined in the A&R SERP Agreements) prior to his Retirement Date, the Company will pay the NEO a disability benefit calculated as the amount that fully amortizes (over 15 years) the accrual balance existing at the end of the month immediately before the month in which separation from service occurs. If the NEO becomes disabled after termination of employment but before all retirement or early retirement benefit payments have been made, the Company will continue making such payments to the NEO or his designated representative, as applicable.

If a Change of Control occurs at any time after an NEO's termination of employment, any remaining retirement, early retirement or disability benefit installment payments will cease and, in lieu of such installment payments, the NEO will be entitled to receive the full amount of the remaining payments in a single lump sum payment on the later of (a) the five-year anniversary of the date on which the first payment of the retirement, early retirement or disability benefit was made or (b) the effective date of the Change of Control.

Split Dollar Agreements

On January 22, 2018, State Bank entered into a 2018 Split Dollar Agreement and Endorsement (each, a "Split Dollar Agreement" and collectively, the "Split Dollar Agreements") with each of Mark A. Klein, Anthony V. Cosentino and David A. Homoelle. Under the terms of each Split Dollar Agreement, State Bank owns a life insurance policy (each, a "Policy" and collectively, the "Policies") to which the Split Dollar Agreement relates, has the obligation to pay the premiums on the Policy and has the right to exercise all incidents of ownership with respect to the Policy. Each of Mr. Klein, Mr. Cosentino and Mr. Homoelle, however, has the right to designate the beneficiaries to whom a portion of the death proceeds payable under the applicable Policy is to be paid in accordance with the terms of his Split Dollar Agreement. State Bank is entitled to any death proceeds payable under the Policy remaining after the payment to Mr. Klein's, Mr. Cosentino's or Mr. Homoelle's beneficiaries, as applicable.

Pursuant to the Split Dollar Agreements, in the event of Mr. Klein's, Mr. Cosentino's or Mr. Homoelle's death prior to his "Separation of Service" (as defined in the Split Dollar Agreements), his designated beneficiaries will be entitled to receive death benefit proceeds in an amount equal to the lesser of (a) \$1,974,320 (for Mr. Klein), \$649,790 (for Mr. Cosentino), or \$750,000 (for Mr. Homoelle) or (b) 100% of the difference between the total death proceeds of the Policy minus the cash surrender value of the Policy (after giving effect to the NEO's death proceeds received under State Bank's Executive Supplemental Insurance Plan effective March 24, 2004). The foregoing rights to receive death benefits under the Split Dollar Agreements will be extinguished in the event that Mr. Klein, Mr. Cosentino or Mr. Homoelle, as applicable, experiences a Separation of Service prior to his death, in which event his beneficiaries will not be entitled to any benefits under the Split Dollar Agreements.

Upon termination of each Split Dollar Agreement, State Bank is required to provide Mr. Klein, Mr. Cosentino or Mr. Homoelle, as applicable, with the option to purchase the Policy to which the Split Dollar Agreement relates for a purchase price equal to the cash surrender value of the Policy.

DIRECTOR COMPENSATION

The Company uses a combination of cash and stock-based compensation to attract and retain qualified candidates to serve on the Board. In setting director compensation, the Company considers the significant amount of time and expertise that directors expend in fulfilling their duties to the Company as well as the skill level required by the Company of members of the Board.

It is the policy of the Compensation Committee to conduct a periodic, independent review of the Company's director compensation programs to verify the reasonableness of its director compensation program as compared to peer groups and all applicable federal and state laws, rules and regulations. The independent reviews are conducted by a firm or individual who does not provide other services or products to the Company beyond compensation consulting. In addition, the independent firm must not have any other personal or business relationships with any Board member or any officer of the Company. The Compensation Committee considers all relevant factors, in determining that the work performed by its compensation consultants does not raise a conflict of interest.

In 2018, the Compensation Committee engaged the services of BCG, a nationally recognized independent financial institution compensation consulting company to assess our director compensation as compared to market practices. This engagement focused on all aspects of director compensation, including board retainer and meeting fees, committee fees, equity grants and other compensation and perquisites. As part of this director compensation review,

BCG utilized a peer group of publicly traded bank holding companies and gathered and reviewed total director compensation and performance data for the peer bank holding companies. BCG also provided additional banking industry survey data regarding director compensation and trends. The report of findings from this study was utilized by the Compensation Committee to assist it in making board compensation recommendations and decisions in 2021. The company plans to engage BCG again in 2022 to conduct an updated board compensation study.

Cash Compensation Paid to Board Members

In 2021, each director of the Company who was not an employee of the Company or one of its subsidiaries (a “non-employee director”) received an annual cash retainer in the amount of \$34,500, which was paid in twelve monthly installments of \$2,875 each. This retainer covers payment for attendance at twelve Company board meetings including two full-day planning sessions (Mid-Year Update and Strategic Thinking), two Company standing committee appointments, four meetings per committee per year and representation at Advisory Board meetings. The Lead Independent Director of the Board (currently Richard L. Hardgrove) received an additional annual cash retainer of \$17,500. Each non-employee director that served as a Chairperson of a committee of the Board also received an additional annual cash retainer of \$3,500, except that the member of the Audit Committee designated as the “audit committee financial expert” (currently Gaylyn J. Finn) received an additional annual cash retainer of \$6,000. Certain non-employee directors of the Company also serve on the board of directors of one or more of the Company’s subsidiaries, and receive an annual cash retainer for such service. The amounts of director cash fees have remained unchanged since 2019.

Stock-based Incentive Compensation Awarded to Board Members

The Compensation Committee and the Board of Directors feel that director equity grants are also an important part of the Company’s director compensation program as they truly tie the directors to the shareholders they represent. As a result, on February 5, 2021, seven hundred fifty (750) Restricted Shares were awarded to each director of the Company pursuant to the 2017 Stock Incentive Plan. The market value of the Restricted Shares was computed based on the closing market price of the Company’s Common Shares on August 5, 2021 (\$18.32). The Restricted Shares were subject to restrictions on transferability and risk of forfeiture until they became fully vested on August 5, 2021.

Director Compensation for 2021 Fiscal Year

The table below summarizes the compensation awarded or paid to, or earned by, each of the non-employee directors of the Company during the 2021 fiscal year. No director who is also an employee of the Company or one of its subsidiaries receives compensation for his service as a director or as a committee member of the Company or any of its subsidiaries.

On an annual basis, each director and executive officer is obligated to complete a "Director and Officer Questionnaire" which requires the director or executive to disclose any related party transactions or business relationships involving the Company or its subsidiaries which are required to be disclosed pursuant to Item 404 of SEC Regulation S-K. In addition, the Company's Code of Conduct and Ethics prohibits the Company's directors, executive officers and employees from self-dealing or otherwise trading on their positions with the Company or accepting, from anyone doing or seeking to do business with the Company, a business opportunity not available to other persons or that is made available because of the person's position with the Company. PROPOSAL NO. 2

**RATIFICATION OF THE APPOINTMENT OF THE
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The appointment of the Company's independent registered public accounting firm is made annually by the Audit & Risk Management Committee. The Audit & Risk Management Committee has appointed BKD, LLP ("BKD") to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2022. The Audit & Risk Management Committee and the Board have decided to submit the appointment of BKD to the shareholders for ratification as a matter of good corporate governance and because of the important role of the Company's independent registered public accounting firm in reviewing the quality and integrity of the Company's financial statements.

BKD has served as the Company's independent auditor/independent registered public accounting firm since November 2002, and BKD audited the Company's consolidated financial statements as of and for the fiscal year ended December 31, 2021. The Company expects that representatives of BKD will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The affirmative vote of a majority of the Common Shares represented at the Annual Meeting, in person (including electronically via the live webcast) or by proxy, and entitled to vote on the proposal, is required to ratify the appointment of BKD as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2022. The effect of an abstention is the same as a vote "AGAINST" the proposal. Even if the appointment of BKD is ratified by the shareholders, the Audit & Risk Management Committee, in its discretion, could decide to terminate the engagement of BKD and to engage another firm if the Audit & Risk Management Committee determines such action is necessary or desirable. If the appointment of BKD is not ratified by the shareholders, the Audit & Risk Management Committee will reconsider the appointment (but may nonetheless, in its discretion, decide to maintain the appointment).

PROPOSAL NO. 3

NON-BINDING ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and corresponding SEC rules enable shareholders to vote to approve, on an advisory and non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. Accordingly, as required pursuant to Section 14A of the Securities Exchange Act (15 U.S.C. 78n-1), the following resolution will be submitted for shareholder approval at the Annual Meeting:

“RESOLVED, that the shareholders of SB Financial Group, Inc. hereby approve, on an advisory basis, the compensation of the corporation’s named executive officers as disclosed in the corporation’s Proxy Statement for its 2022 Annual Meeting of Shareholders pursuant to Item 402 of SEC Regulation S-K, including in the compensation tables, notes and narrative disclosures, contained under the heading “COMPENSATION OF EXECUTIVE OFFICERS” in the corporation’s Proxy Statement.

The Board believes that the Company’s compensation policies and procedures, which are reviewed and approved by the Compensation Committee, are effective in aligning the compensation of our named executive officers with the Company’s short-term and long-term goals and that such compensation and incentives are designed to attract, retain and motivate our key executives who are directly responsible for the Company’s continued success. The Board of Directors believes that the Company’s compensation policies and practices do not threaten the value of the Company or the investments of our shareholders or create incentives to engage in behaviors or business activities that are reasonably likely to have a material adverse impact on the Company. The Board believes that the Company’s culture focuses on sound risk management and appropriately rewards executives for performance. The Board further believes that the Company’s compensation policies and procedures are reasonable in comparison both to the Company’s peer bank holding companies and to the Company’s performance during the 2021 fiscal year.

Similar “Say on Pay” proposals were approved by a significant majority of the Common Shares voted at each of the Company’s annual meetings of shareholders since 2013. Consistent with the most recent “Say to Pay Frequency” vote by the shareholders of the Company in 2019, the Company submits the “Say on Pay” proposal to its shareholders to vote on the approval of the Company’s executive compensation every year.

Shareholders are encouraged to carefully review the information provided in this proxy statement regarding the compensation of the Company’s named executive officers in the section captioned “**COMPENSATION OF EXECUTIVE OFFICERS**” beginning on page 11 of this proxy statement.

Because your vote is advisory, the outcome of the vote will not: (i) be binding upon the Board or the Compensation Committee with respect to future executive compensation decisions, including those relating to our named executive officers, or otherwise; (ii) overrule any decision made by the Board or the Compensation Committee; or (iii) create or imply any additional fiduciary duty by the Board or the Compensation Committee. However, the Board and the Compensation Committee expect to take into account the outcome of the advisory vote when considering future executive compensation arrangements.

The affirmative vote of a majority of the Common Shares represented at the Annual Meeting, in person (including electronically via the live webcast) or by proxy, and entitled to vote on the proposal is required to approve the non-binding advisory resolution to approve the compensation paid to the Company’s named executive officers as disclosed in this proxy statement. The effect of an abstention is the same as a vote “AGAINST” the proposal. Broker non-votes will not be counted in determining whether the proposal has been approved.

<p>YOUR BOARD RECOMMENDS THAT SHAREHOLDERS VOTE <u>FOR</u> THE NON-BINDING ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF NAMED EXECUTIVE OFFICERS</p>

The specific responsibilities of the Audit & Risk Management Committee are set forth in the Audit & Risk Management Committee Charter and described under the heading “**MEETINGS AND COMMITTEES OF THE BOARD—Committees of the Board—Audit & Risk Management Committee**” beginning on page 9 of this proxy statement.

Pre-Approval of Services Performed by Independent Registered Public Accounting Firm

Under applicable SEC rules, the Audit & Risk Management Committee is required to pre-approve all audit and non-audit services performed by the Company’s independent registered public accounting firm in order to assure that they do not impair the independent registered public accounting firm’s independence from the Company. The SEC’s rules specify the types of non-audit services that an independent registered public accounting firm may not provide to its audit client and establish the Audit & Risk Management Committee’s responsibility for administration of the engagement of the independent registered public accounting firm. Accordingly, the Audit & Risk Management Committee pre-approves all audit and permitted non-audit services proposed to be provided by the Company’s independent registered public accounting firm.

The pre-approval of audit and non-audit services and fees of the independent registered public accounting firm may be documented by a member of the Audit & Risk Management Committee signing annual or periodic engagement letters that define in general terms the type of services to be provided and the range of fees that are considered acceptable for such services, or as otherwise documented in the minutes of the Audit & Risk Management Committee meetings. The actual compensation paid to the independent registered public accounting firm for all such pre-approved services and fees is reported to the Audit & Risk Management Committee on at least a quarterly basis. All services rendered by BKD during 2021 and 2020 were pre-approved by the Audit & Risk Management Committee.
