

BRISTOW GROUP INC.
ANNUAL MEETING OF STOCKHOLDERS

August 2, 2022

RULES OF CONDUCT AND PROCEDURES

Welcome to the Annual Meeting of Stockholders (the “Annual Meeting”) of Bristow Group Inc. (the “Company”). It is our desire to conduct a fair and informative Annual Meeting. Kindly observe the following Rules of Conduct and Procedures.

1. Our Company’s bylaws describe requirements for meetings of our stockholders and the Chairman of the Board will conduct the Annual Meeting consistent with those requirements.
2. Because this is a meeting of our stockholders, only our stockholders are permitted to ask questions during the Annual Meeting. You need to have held stock as of the close of business on the record date of June 6, 2022 to vote or submit questions while participating in the virtual Annual Meeting. To vote or submit questions, please login as a stockholder at www.virtualshareholdermeeting.com/VTOL2022 by entering the 16-digit control number you received with your proxy materials and follow the directions on the virtual meeting site. If you have voted your shares prior to the start of the Annual Meeting, your vote has been received by the Company’s Inspector of Election and there is no need to vote those shares during the Annual Meeting, unless you wish to revoke or change your vote.
3. We will strictly follow the Agenda as we conduct the Annual Meeting.
4. If a stockholder has a question about one of the matters in the Agenda to be voted on by the stockholders at the Annual Meeting, such question may be submitted in the field provided in the virtual meeting site at or before the time the matters are before the Annual Meeting for consideration.
5. Following adjournment of the formal business of the Annual Meeting, the Company will address appropriate general questions from stockholders regarding the Company. Such questions may be submitted in the field provided in the virtual meeting site during the Annual Meeting.
6. To allow us to answer questions from as many stockholders as possible, we will limit each stockholder to one question. It will help us if questions are succinct and cover only one topic per question. Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together. The Q&A session will be limited to 30 minutes.
7. Stockholder questions are welcome, but conducting the business set out in the Agenda for the benefit of all stockholders will be paramount. The Company does not intend to address any questions that are, among other things:
 - irrelevant to the business of the Company or to the business of the Annual Meeting;
 - related to material non-public information of the Company;
 - related to personal grievances;
 - derogatory references to individuals or that are otherwise in bad taste;
 - repetitious statements already made by another stockholder;
 - in furtherance of the stockholder’s personal or business interests; or
 - out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chairman of the Board or Corporate Secretary in their reasonable judgment.
8. If you encounter any difficulties accessing the Annual Meeting during the registration or meeting time, please contact technical support at 844-986-0822 (US) and 303-562-9302 (International).
9. If there are any matters of individual concern to a stockholder and not of general concern to all stockholders, or if a question posed was not otherwise answered, such matters may be raised separately after the Annual Meeting by contacting InvestorRelations@bristowgroup.com.
10. The use of recording equipment, communication devices or any other similar equipment to record the Annual Meeting is prohibited. An audio archive of the Annual Meeting, including the Q&A session, will be available at www.virtualshareholdermeeting.com/VTOL2022 within 24 hours after adjournment of the Annual Meeting.

Thank you for your cooperation and for joining the Company at the Annual Meeting.
