

THE TORO COMPANY

2024 ANNUAL MEETING OF SHAREHOLDERS

Rules of Conduct and Voting

**Tuesday, March 19, 2024
2:00 P.M.**

Welcome to The Toro Company 2024 Annual Meeting of Shareholders (“Annual Meeting”). Please take a moment to review the rules of conduct and voting set forth below. Thank you for your continued support and cooperation and for joining us at the Annual Meeting!

1. The only business matters to be conducted at the Annual Meeting are the matters set forth in the Notice of Annual Meeting of Stockholders and the 2024 Proxy Statement.
2. You must have held stock as of the close of business on the record date of January 22, 2024, to vote or submit questions while participating in the Annual Meeting.
3. To vote or submit questions, please login as a shareholder by entering the 16-digit control number you received with your proxy materials. If you voted your shares prior to the start of the Annual Meeting, your vote has been received and there is no need to vote those shares during the Annual Meeting, unless you wish to revoke or change your vote.
4. At the conclusion of the Annual Meeting, we will answer appropriate questions submitted by our shareholders. Such questions may be submitted in the field provided in the web portal in advance of or during the Annual Meeting. If you submitted a question through the web portal in advance of the meeting, there is no need for you to submit that question again during the meeting.
5. To allow us to answer questions from as many shareholders as possible, we will limit each shareholder to one question. It will help us if questions are succinct and cover only one topic per question. Questions from multiple shareholders on the same topic or that are otherwise related may be grouped, summarized and answered together.
6. All questions and remarks must be relevant to the TTC’s business or to the Annual Meeting. The Annual Meeting is not to be used as a forum to ask general economic, political, personal or other questions that are not directly related to the matters properly before the Annual Meeting. Advocacy statements that are not questions or are not related to TTC’s business or to the Annual Meeting will not be addressed.
7. Specifically, questions or comments are not appropriate and will not be answered if they are:
 - irrelevant to the business of the company or the conduct of its operations;
 - substantially repetitious of statements made by other shareholders;
 - related to pending or threatened litigation;
 - related to material, non-public information of the Company;
 - use derogatory or disrespectful language;
 - discussions relating to personal grievances; or
 - unduly prolonged (longer than one minute).
8. If there are any matters of individual concern to a shareholder and not of general concern to all shareholders, or if a question posed was not otherwise answered, such matters may be raised separately after the Annual Meeting by contacting Investor Relations.
9. We will post answers to all relevant questions asked, regardless of whether the question was answered during the meeting. The answers to the questions, along with a recording of the Annual

Meeting, will be available on our website at <https://www.thetorocompany.com/proxy> until the release of the Proxy Statement for the 2025 Annual Meeting. Any other recording of the Annual Meeting is prohibited.

10. If we experience a technical malfunction or any other significant disruption to the meeting, the Chair may adjourn, recess or expedite the meeting in a matter that the Chair reasonably believes to be appropriate. If the meeting is adjourned to a later date, place, or time, details of the meeting and shareholder access thereto, will be posted on our website at <https://www.thetorocompany.com/proxy>.
11. If you have trouble accessing the Annual Meeting, please call the telephone number provided on the virtual meeting website. Technicians will be available to assist you.
