PROPOSAL 1

To Elect Nine (9) Directors

The Board of Directors currently consists of nine (9) directors: Murray Stahl, Steven Bregman, Peter Doyle, Lawrence J. Goldstein, Allan Kornfeld, Jay P. Hirschson, Alice C. Brennan, Herbert M. Chain, and Dov Glickman.

If elected, each director will serve for a term ending on the date of the next Annual Meeting and until such time as his or her successor is elected, or until his or her earlier death, resignation, disqualification, or removal as provided by statute. Each signed Proxy that is returned to FRMO Corp. will be voted “**FOR**” each of the nine (9) nominees named above unless authority to vote for any of them is withheld. Each nominee has consented to being named in this Proxy Statement and to serve, if elected. The Company has no reason to believe that any of the director nominees named in this Proxy Statement will be unable or unwilling to serve as a director if elected. However, in the event any of the nominees withdraws or otherwise becomes unavailable for election, the shares represented by all valid Proxies will be voted for the election of a substitute nominee, as may be designated by the Board of Directors, or the Board of Directors may allow a vacancy to exist, in its discretion.

Under Delaware law, the affirmative vote of holders of a plurality of the Common Shares voted at the Annual Meeting is required to elect each director. Consequently, only shares that are voted in favor of a particular nominee will be counted toward such nominee’s achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee (including broker non-votes) will not be counted toward such nominee’s achievement of a plurality.

INFORMATION CONCERNING THE BOARD OF DIRECTORS AND BOARD COMMITTEES

Directors' Meetings and Committees

Since July 15, 2021, the Board of Directors has held five meetings. Each member of the Board attended at least 80% of the meetings of the Board and of the committees on which such member served during the 2022 fiscal year. The Board of Directors has the following committees: Executive Committee, Audit Committee, Compensation Committee, and Nominating & Governance Committee.

The Executive Committee exercises the authority of the Board of Directors in the management of the business of the Company at such times as the full Board of Directors is unavailable. The Executive Committee currently consists of Steven Bregman (Chair), Murray Stahl, and Peter Doyle.

The Audit Committee operates under a Charter adopted by the Company. Its members are Allan Kornfeld (Chair), Lawrence J. Goldstein, Jay Hirschson, Alice C. Brennan, and Herbert M. Chain. All members are independent directors and are “financially literate.” The primary responsibilities of the Audit Committee include review of the Company’s Annual Financial Statements and the Company’s relationship with its independent auditor.

The Compensation Committee reviews and establishes the compensation program, of whatever form, for officers, directors, and employees of the Company. Its members are Peter Doyle (Chair), Murray Stahl, and Steven Bregman. The primary responsibilities of the Compensation Committee include, without limitation, overseeing the development of a compensation philosophy for the Company. The Company currently pays only non-cash compensation, as described in the paragraph below under Compensation of Officers, and awards stock options to five of the independent directors of the board, as described in the paragraph below under Compensation of Directors.

The Nominating & Governance Committee (the “Committee”) operates under a Charter adopted by the Company. It is responsible for identifying, reviewing, and recommending to the Board of Directors individuals for election to the Board. Its members are Murray Stahl (Chair), Steven Bregman, Lawrence J. Compensation of Officers

The Officers of the Company, who are major shareholders, have agreed not to draw any salaries for the fiscal year ended May 31, 2022, or for the current fiscal year. A notional salary allocation is required under GAAP and accordingly non-cash compensation is recorded as an expense and as an increase to additional paid-in capital.

Compensation of Directors

Other than the stock options described below, the Company has not paid compensation to any director in the fiscal year ended May 31, 2022 and has made no arrangement to pay directors' fees in the current fiscal year. Only Allan Kornfeld and Jay Hirschson, independent directors of FRMO Corp., received a stock option in that period for 5,000 shares and 3,000 shares respectively of common stock, each at \$10.85 per share. Of the other directors, four are large shareholders and have waived compensation for their service as members of the Company's board.

Stock Options

The Company, from time to time, will issue stock options to officers, directors, or key employees of FRMO Corp. or its subsidiary, which are designated to provide incentive for superior performance, the value of which will increase or decrease based upon the future price of the Common Shares. See the Company's Annual Report for stock options issued and outstanding on May 31, 2022.
